AMENDMENTS

1987—Subsec. (b). Pub. L. 100-181 struck out “to the extension or renewal of any such loan made prior to March 15, 1940, or” after “shall not apply”.

§ 80a-22. Distribution, redemption, and repurchase of securities; regulations by securities associations

(a) Rules relating to minimum and maximum prices for purchase and sale of securities from investment company; time for resale and redemption

A securities association registered under section 78o-3 of this title may prescribe, by rules adopted and in effect in accordance with said section and subject to all provisions of said section applicable to the rules of such an association—

(1) a method or methods for computing the minimum price at which a member thereof may purchase from any investment company any redeemable security issued by such company and the maximum price at which a member may sell to such company any redeemable security issued by it or which he may receive for such security upon redemption, so that the price in each case will bear such relation to the current net asset value of such security computed as of such time as the rules may prescribe; and

(2) a minimum period of time which must elapse after the sale or issue of such security before any resale to such company by a member or its redemption upon surrender by a member;

in each case for the purpose of eliminating or reducing so far as reasonably practicable any dilution of the value of other outstanding securities of such company or any other result of such purchase, redemption, or sale which is unfair to holders of such other outstanding securities; and said rules may prohibit the members of the association from purchasing, selling, or surrendering for redemption any such redeemable securities in contravention of said rules.

(b) Rules relating to purchase of securities by members from issuer investment company

(1) Such a securities association may also, by rules adopted and in effect in accordance with section 78o-3 of this title, and notwithstanding the provisions of subsection (b)(6) thereof but subject to all other provisions of said section applicable to the rules of such an association, prohibit its members from purchasing, in connection with a primary distribution of redeemable securities of which any registered investment company is the issuer, any such security from the issuer or from any principal underwriter except at a price equal to the price at which such security is then offered to the public less a commission, discount, or spread which is computed in conformity with a method or methods, and within such limitations as to the relation thereof to said public offering price, as such rules may prescribe in order that the price at which such security is offered or sold to the public shall not include an excessive sales load but shall allow for reasonable compensation for sales personnel, broker-dealers, and underwriters, and for reasonable sales loads to investors. The Commission shall on application or otherwise, if it appears that smaller companies are subject to relatively higher operating costs, make due allowance therefor by granting any such company or class of companies appropriate qualified exemptions from the provisions of this section.

(2) At any time after the expiration of eighteen months from December 14, 1970 (or, if earlier, after a securities association has adopted for purposes of paragraph (1) any rule respecting excessive sales loads), the Commission may alter or supplement the rules of any securities association as may be necessary to effectuate the purposes of this subsection in the manner provided by section 78s(c) of this title.

(3) If any provision of this subsection is in conflict with any provision of any law of the United States in effect on December 14, 1970, the provisions of this subsection shall prevail.

(c) Conflicting rules of Commission and associations

The Commission may make rules and regulations applicable to registered investment companies and to principal underwriters of, and dealers in, the redeemable securities of any registered investment company, whether or not members of any securities association, to the same extent, covering the same subject matter, and for the accomplishment of the same ends as are prescribed in subsection (a) of this section in respect of the rules which may be made by a registered securities association governing its members. Any rules and regulations so made by the Commission, to the extent that they may be inconsistent with the rules of any such association, shall so long as they remain in force supersede the rules of the association and be binding upon its members as well as all other underwriters and dealers to whom they may be applicable.

(d) Sale of securities except to or through principal underwriter; price of securities

No registered investment company shall sell any redeemable security issued by it to any per-

son except either to or through a principal underwriter for distribution or at a current public offering price described in the prospectus, and, if such class of security is being currently offered to the public by or through an underwriter, no principal underwriter of such security and no dealer shall sell any such security to any person except a dealer, a principal underwriter, or the issuer, except at a current public offering price described in the prospectus. Nothing in this subsection shall prevent a sale made (i) pursuant to an offer of exchange permitted by section 80a-11 of this title including any offer made pursuant to section 80a-11(b) of this title; (ii) pursuant to an offer made solely to all registered holders of the securities, or of a particular class or series of securities issued by the company proportionate to their holdings or proportionate to any cash distribution made to them by the company (subject to appropriate qualifications designed solely to avoid issuance of fractional securities); or (iii) in accordance with rules and regulations of the Commission made pursuant to subsection (b) of section 80a-12 of this title.

(e) Suspension of right of redemption or postponement of date of payment

No registered investment company shall suspend the right of redemption, or postpone the date of payment or satisfaction upon redemption of any redeemable security in accordance with its terms for more than seven days after the tender of such security to the company or its agent designated for that purpose for redemption, except—

(1) for any period (A) during which the New York Stock Exchange is closed other than customary week-end and holiday closings or (B) during which trading on the New York Stock Exchange is restricted;

(2) for any period during which an emergency exists as a result of which (A) disposal by the company of securities owned by it is not reasonably practicable or (B) it is not reasonably practicable for such company fairly to determine the value of its net assets; or

(3) for such other periods as the Commission may by order permit for the protection of security holders of the company.

The Commission shall by rules and regulations determine the conditions under which (i) trading shall be deemed to be restricted and (ii) an emergency shall be deemed to exist within the meaning of this subsection.

(f) Restrictions on transferability or negotiability of securities

No registered open-end company shall restrict the transferability or negotiability of any security of which it is the issuer except in conformity with the statements with respect thereto contained in its registration statement nor in contravention of such rules and regulations as the Commission may prescribe in the interests of the holders of all of the outstanding securities of such investment company.

(g) Issuance of securities for services or property other than cash

No registered open-end company shall issue any of its securities (1) for services; or (2) for property other than cash or securities (including

securities of which such registered company is the issuer), except as a dividend or distribution to its security holders or in connection with a reorganization.
