**§ 80a-25. Reorganization plans; reports by Commission****(a) Filing of reorganization plan and other information with Commission**

Any person who, by use of the mails or any means or instrumentality of interstate commerce or otherwise, solicits or permits the use of his name to solicit any proxy, consent, authorization, power of attorney, ratification, deposit, or dissent in respect of any plan of reorganization of any registered investment company shall file with, or mail to, the Commission for its information, within twenty-four hours after the commencement of any such solicitation, a copy of such plan and any deposit agreement relating thereto and of any proxy, consent, authorization, power of attorney, ratification, instrument of deposit, or instrument of dissent in respect thereto, if or to the extent that such documents shall not already have been filed with the Commission.

The Commission is authorized, if so requested, prior to any solicitation of security holders with respect to any plan of reorganization, by any registered investment company which is, or any of the securities of which are, the subject of or is a participant in any such plan, or if so requested by the holders of 25 per centum of any class of its outstanding securities, to render an advisory report in respect of the fairness of any such plan and its effect upon any class or classes of security holders. In such event any registered investment company, in respect of which the Commission shall have rendered any such advisory report, shall mail promptly a copy of such advisory report to all its security holders affected by any such plan: *Provided*, That such advisory report shall have been received by it at least forty-eight hours (not including Sundays and holidays) before final action is taken in relation to such plan at any meeting of security holders called to act in relation thereto, or any adjournment of any such meeting, or if no meeting be called, then prior to the final date of acceptance of such plan by security holders. **§ 80a-26. Unit investment trusts****(a) Custody and sale of securities**

No principal underwriter for or depositor of a registered unit investment trust shall sell, except by surrender to the trustee for redemption, any security of which such trust is the issuer (other than short-term paper), unless the trust indenture, agreement of custodianship, or other instrument pursuant to which such security is issued—

(1) designates one or more trustees or custodians, each of which is a bank, and provides that each such trustee or custodian shall have at all times an aggregate capital, surplus, and undivided profits of a specified minimum amount, which shall not be less than \$500,000 (but may also provide, if such trustee or custodian publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, that for the purposes of this paragraph the aggregate capital, surplus, and undivided profits of such trustee or custodian shall be deemed to be its aggregate capital, surplus, and undivided profits as set forth in its most recent report of condition so published);

(2) provides, in substance, (A) that during the life of the trust the trustee or custodian, if not otherwise remunerated, may charge against and collect from the income of the trust, and from the corpus thereof if no income is available, such fees for its services and such reimbursement for its expenses as are provided for in such instrument; (B) that no such charge or collection shall be made except for services theretofore performed or expenses theretofore incurred; (C) that no payment to the depositor of or a principal underwriter for such trust, or to any affiliated person or agent of such depositor or underwriter, shall be allowed the trustee or custodian as an expense (except that provision may be made for the payment to any such person of a fee, not exceeding such reasonable amount as the Commission may prescribe as compensation for performing bookkeeping and other administrative services, of a character normally performed by the trustee or custodian itself); and (D) that the trustee or custodian shall have possession of all securities and other property in which the funds of the trust are invested, all funds held for such investment, all equalization, redemption, and other special funds of the trust, and all income upon, accretions to, and proceeds of such property and funds, and shall segregate and hold the same in trust (subject only to the charges and collections allowed under clauses (A), (B), and (C) of this paragraph) until distribution thereof to the security holders of the trust;

(3) provides, in substance, that the trustee or custodian shall not resign until either (A) the trust has been completely liquidated and the proceeds of the liquidation distributed to the security holders of the trust, or (B) a successor trustee or custodian, having the qualifications prescribed in paragraph (1) of this subsection, has been designated and has accepted such trusteeship or custodianship; and

(4) provides, in substance, (A) that a record will be kept by the depositor or an agent of

the depositor of the name and address of, and the shares issued by the trust and held by, every holder of any security issued pursuant to such instrument, insofar as such information is known to the depositor or agent; and (B) that whenever a security is deposited with the trustee in substitution for any security in which such security holder has an undivided interest, the depositor or the agent of the depositor will, within five days after such substitution, either deliver or mail to such security holder a notice of substitution, including an identification of the securities eliminated and the securities substituted, and a specification of the shares of such security holder affected by the substitution.

**(b) Bank or affiliated person of bank as trustee or custodian**

The Commission may, after consultation with and taking into consideration the views of the Federal banking agencies (as defined in section 1813 of title 12), adopt rules and regulations, and issue orders, consistent with the protection of investors, prescribing the conditions under which a bank, or an affiliated person of a bank, either of which is an affiliated person of a principal underwriter for, or depositor of, a registered unit investment trust, may serve as trustee or custodian under subsection (a)(1).

**(c) Substitution of securities**

It shall be unlawful for any depositor or trustee of a registered unit investment trust holding the security of a single issuer to substitute another security for such security unless the Commission shall have approved such substitution. The Commission shall issue an order approving such substitution if the evidence establishes that it is consistent with the protection of investors and the purposes fairly intended by the policy and provisions of this subchapter.

**(d) Binding contract or agreement embodying applicable provisions deemed to qualify non-complying instrument by which securities were issued**

In the event that a trust indenture, agreement of custodianship, or other instrument pursuant to which securities of a registered unit investment trust are issued does not comply with the requirements of subsection (a), such instrument will be deemed to meet such requirements if a written contract or agreement binding on the parties and embodying such requirements has been executed by the depositor on the one part and the trustee or custodian on the other part, and three copies of such contract or agreement have been filed with the Commission.

**(e) Liquidation of unit investment trust**
