

(3) take such other action as may be provided by law.

(c) Civil action by Attorney General

When a matter is referred to the Attorney General pursuant to subsection (b), or whenever the Attorney General has reason to believe that a recipient is engaged in a pattern or practice in violation of the provisions of this section, the Attorney General may bring a civil action in the appropriate United States district court for any and all appropriate relief.

(d) Enforcement analysis in Report of President

To assist and evaluate the enforcement of this section, and the broader equal employment opportunity policies of this chapter the Secretary of Labor shall include, in the annual report referred to in section 1022a(f)(2)(B) of this title, a detailed analysis of the extent to which the enforcement of this section achieves positive results in both the quantity and quality of jobs, and for employment opportunities generally.

§ 3152. Labor standards

(a) Equal wages; increase in employment

Any new program enacted and funded pursuant to the implementation of this chapter shall, subject to any limitations on maximum annual compensation as may be provided in the law authorizing such programs, provide that persons employed are paid equal wages for equal work, and that such policies and programs create a net increase in employment through work that would not otherwise be done or are essential to fulfill national priority purposes.

(b) Wage rates; work limitations of reservoir projects employees

Any person employed in any reservoir project enacted and funded pursuant to the implementation of section 3116(c)(1) of this title, or in any other job created pursuant to implementation of this chapter, shall, subject to any limitations on maximum annual compensation as may be provided in the law authorizing such programs, be paid not less than the pay received by others

performing the same type of work for the same employer, and in no case less than the minimum wage under the Fair Labor Standards Act of 1938 [29 U.S.C. 201 et seq.]. No person employed in any reservoir project enacted and funded pursuant to implementation of section 3116(c)(1) of this title shall perform work of the type to which sections 3141-3144, 3146, and 3147 of title 40 apply, except as otherwise may be specifically authorized by law.

(c) Recommendations of President

Any recommendation by the President for legislation to implement any program enacted pursuant to the provisions of this chapter, requiring the use of funds under this chapter, and submitted pursuant to the requirements of this chapter, shall contain appropriate wage provisions based upon existing wage standard legislation.

CHAPTER 59—RETAIL POLICIES FOR NATURAL GAS UTILITIES

Sec.	
3201.	Purposes; coverage.
3202.	Definitions.
3203.	Adoption of certain standards.
3204.	Special rules for standards.
3205.	Federal participation.
3206.	Gas utility rate design proposals.
3207.	Judicial review and enforcement.
3208.	Relationship to other applicable law.
3209.	Reports respecting standards.
3210.	Prior and pending proceedings.
3211.	Relationship to other authority.

§ 3201. Purposes; coverage

(a) Purposes

The purposes of this chapter are to encourage—

- (1) conservation of energy supplied by gas utilities;
- (2) the optimization of the efficiency of use of facilities and resources by gas utility systems; and
- (3) equitable rates to gas consumers of natural gas.

(b) Volume of total retail sales

This chapter applies to each gas utility in any calendar year, and to each proceeding relating

to each gas utility in such year, if the total sales of natural gas by such utility for purposes other than resale exceeded 10 billion cubic feet during any calendar year beginning after December 31, 1975, and before the immediately preceding calendar year.

(c) Exclusion of wholesale sales

The requirements of this chapter do not apply to the operations of a gas utility, or to proceedings respecting such operations, to the extent that such operations or proceedings relate to sales of natural gas for purposes of resale.

(d) List of covered utilities

Before the beginning of each calendar year, the Secretary shall publish a list identifying each gas utility to which this chapter applies during such calendar year. Promptly after publication of such list, each State regulatory authority shall notify the Secretary of each gas utility on the list for which such State regulatory authority has ratemaking authority.

(Pub. L. 95-617, title III, §301, Nov. 9, 1978, 92 Stat. 3149.)

DEFINITIONS

The definition of Secretary in section 2602 of Title 16, Conservation, applies to this section.

§ 3202. Definitions

For purposes of this chapter—

(1) The term “gas consumer” means any person, State agency, or Federal agency, to which natural gas is sold other than for purposes of resale.

(2) The term “gas utility” means any person, State agency, or Federal agency, engaged in the local distribution of natural gas, and the sale of natural gas to any ultimate consumer of natural gas.

(3) The term “State regulated gas utility” means any gas utility with respect to which a State regulatory authority has ratemaking authority.

(4) The term “nonregulated gas utility” means any gas utility other than a State regulated gas utility.

(5) The term “rate” means any (A) price, rate, charge, or classification made, demanded, observed, or received with respect to sale of natural gas to a gas consumer, (B) any rule, regulation, or practice respecting any such rate, charge, or classification, and (C) any contract pertaining to the sale of natural gas to a gas consumer.

(6) The term “ratemaking authority” means authority to fix, modify, approve, or disapprove rates.

(7) The term “sale” when used with respect to natural gas, includes an exchange of natural gas.

(8) The term “State regulatory authority” means any State agency which has rate-making authority with respect to the sale of natural gas by any gas utility (other than by such State agency).

(9) The term “integrated resource planning” means, in the case of a gas utility, planning by

the use of any standard, regulation, practice, or policy to undertake a systematic comparison between demand-side management measures and the supply of gas by a gas utility to minimize life-cycle costs of adequate and reliable utility services to gas consumers. Integrated resource planning shall take into account necessary features for system operation such as diversity, reliability, dispatchability, and other factors of risk and shall treat demand and supply to gas consumers on a consistent and integrated basis.

(10) The term “demand-side management” includes energy conservation, energy efficiency, and load management techniques.

ADDITIONAL DEFINITIONS

Except as otherwise specifically provided, the definitions in section 2602 of Title 16, Conservation, apply to this chapter.

§ 3203. Adoption of certain standards

(a) Adoption of standards

Not later than 2 years after November 9, 1978 (or after October 24, 1992, in the case of standards under paragraphs (3),¹ and (4) of subsection (b)), each State regulatory authority (with respect to each gas utility for which it has ratemaking authority) and each nonregulated gas utility shall provide public notice and conduct a hearing respecting the standards established by subsection (b), and, on the basis of such hearing, shall—

(1) adopt the standard established by subsection (b)(1), if, and to the extent, such authority or nonregulated utility determines that such adoption is appropriate and is consistent with otherwise applicable State law, and

(2) adopt the standards established by paragraphs (2), (3)² (4), (5), and (6) of subsection (b), if, and to the extent, such authority or nonregulated utility determines that such adoption is appropriate to carry out the purposes of this chapter, is otherwise appropriate, and is consistent with otherwise applicable State law.

For purposes of any determination under paragraphs (1) and (2) and any review of such determination in any court under section 3207 of this title, the purposes of this chapter supplement State law. Nothing in this subsection prohibits any State regulatory authority or nonregulated utility from making any determination that it is not appropriate to implement any such standard, pursuant to its authority under otherwise applicable State law.
