EFFECTIVENESS OF STATE EXEMPTION IN EFFECT ON  
JULY 8, 1986

Pub. L. 99-359, §2(c), July 8, 1986, 100 Stat. 764, provided that: “Any law in effect on the date of the enactment of this Act [July 8, 1986]—

“(1) adopted pursuant to section 3(a)(2) of the Uniform Time Act of 1966 [15 U.S.C. 260a(a)(2)] by a State with parts thereof in more than one time zone, or

“(2) adopted pursuant to section 3(a)(1) of such Act by a State that lies entirely within one time zone, shall be held and considered to remain in effect as the exercise by that State of the exemption permitted by such Act [see 15 U.S.C. 260a(a)] unless that State, by law, provides that such exemption shall not apply.”

ADJUSTMENT BY GENERAL RULES OR INTERIM ACTION  
WITH RESPECT TO HOURS OF OPERATION OF DAYTIME  
STANDARD AMPLITUDE MODULATION BROADCAST STA-  
TIONS

Pub. L. 99-359, §2(d), July 8, 1986, 100 Stat. 764, provided that:

“(1) Notwithstanding any other law or any regulation issued under any such law, the Federal Communications Commission shall, consistent with any existing treaty or other agreement, make such adjustment by general rules, or by interim action pending such general rules, with respect to hours of operation of daytime standard amplitude modulation broadcast stations, as may be consistent with the public interest, including the public’s interest in receiving interference-free service.

“(2) Such general rules, or interim action, may include variances with respect to operating power and other technical operating characteristics.

“(3) Subsequent to the adoption of such general rules, they may be varied with respect to particular stations and areas because of the exigencies in each case.”

EX. ORD. NO. 11751. EXEMPTIONS FROM DAYLIGHT SAVING TIME AND REALIGNMENTS OF TIME ZONE LIMITS

Ex. Ord. No. 11751, Dec. 15, 1973, 38 F.R. 34725, provided:

By virtue of the authority vested in me by section 3(b) of the Emergency Daylight Savings Time Energy Conservation Act of 1973 (Public Law 93-182) (hereinafter “the Act”) [formerly set out above], section 301 of title 3 of the United States Code, and as President of the United States, it is hereby ordered as follows:

SECTION 1. The Secretary of Transportation (hereinafter “the Secretary”) is hereby designated and empowered to exercise the authority vested in me by section 3(b) of the Act [formerly set out above] to grant an exemption from section 3(a) of the Act (which establishes daylight saving time as standard time), or a realignment of a time zone limit, pursuant to a proclamation of a Governor of a State finding that the exemption or realignment is necessary to avoid undue hardship or to conserve fuel in the State or a part thereof.

SEC. 2. In deciding to grant or deny an exemption or realignment, the Secretary shall consider, among other things, the policy of the United States, as expressed in sections 2 and 4 of the Uniform Time Act of 1966 (80 Stat. 107, 108; 15 U.S.C. 260, 261), to promote the adoption and observance of uniform time within the standard time zones of the United States and the convenience of commerce, as well as possible energy savings, undue hardship to large segments of the population, and the possible impact on the success of and cooperation with the national energy conservation program.

SEC. 3. In carrying out his responsibilities under this order, the Secretary shall, as he deems necessary, consult with the Department of Health, Education, and Welfare, the Federal Energy Office (or any agency which hereafter may succeed to its functions), and any other interested agency and he may call upon those agencies for information and advice. Each interested department or agency shall assist the Secretary, as necessary, to carry out the provisions of this order.

RICHARD NIXON.

**§ 261. Zones for standard time; interstate or foreign commerce**

**(a) In general**

For the purpose of establishing the standard time of the United States, the territory of the United States shall be divided into nine zones in the manner provided in this section. Except as provided in section 260a(a) of this title, the standard time of the first zone shall be Coordinated Universal Time retarded by 4 hours; that of the second zone retarded by 5 hours; that of the third zone retarded by 6 hours; that of the fourth zone retarded by 7 hours; that of the fifth zone retarded<sup>1</sup> 8 hours; that of the sixth zone retarded by 9 hours; that of the seventh zone retarded by 10 hours; that of the eighth zone retarded by 11 hours; and that of the ninth zone shall be Coordinated Universal Time advanced by 10 hours. The limits of each zone shall be defined by an order of the Secretary of Transportation, having regard for the convenience of commerce and the existing junction points and division points of common carriers engaged in interstate or foreign commerce, and any such order may be modified from time to time. As used in sections 261 to 264 of this title, the term “interstate or foreign commerce” means commerce between a State, the District of Columbia, the Commonwealth of Puerto Rico, or any possession of the United States and any place outside thereof.

**(b) Coordinated Universal Time defined**

In this section, the term “Coordinated Universal Time” means the time scale maintained through the General Conference of Weights and Measures and interpreted or modified for the United States by the Secretary of Commerce in coordination with the Secretary of the Navy.
