§ 4658. Defense Production Act of 1950 efforts

(a) In general

Not later than 180 days after January 1, 2021, the President shall submit to Congress a report on a plan of action for any use of authorities available in title III of the Defense Production Act of 1950 (50 U.S.C. 4531 et seq.) to establish or enhance a domestic production capability for microelectronics technologies and related technologies, subject to—

(1) the availability of appropriations for that purpose; and

(2) a determination made under the plan pursuant to such title III that such technologies are essential to the national defense and that domestic industrial capabilities are insufficient to meet these needs.

(b) Coordination

The President shall develop the plan of action required by subsection (a) in consultation with any relevant head of a Federal agency, an advisory committee established under section 708(d) of the Defense Production Act of 1950 (50 U.S.C. 4558(d)), and appropriate stakeholders in the private sector.
