[Pub. L. 106-113, div. B, §1000(a)(3) [title I, §144(b)], Nov. 29, 1999, 113 Stat. 1535, 1501A-171, provided that: “The amendment made by subsection (a) [amending section 3 of Pub. L. 103-450, set out above] takes effect on November 1, 1999.”]

§ 460ccc-2. Management

(a) In general

The Secretary, acting through the Director of the Bureau of Land Management, shall, subject to valid existing rights, manage the conservation area to conserve, protect, and enhance the resources described in section 460ccc-1 of this title, in accordance with this subchapter, the Federal Land Policy and Management Act of 1976 [43 U.S.C. 1701 et seq.], and other applicable laws. The Secretary shall only allow such uses of the conservation area as he finds will further the purposes for which the conservation area is established.

(b) Hunting

(1) Subject to paragraph (2), the Secretary shall permit hunting within the conservation area in accordance with the laws of the State of Nevada.

(2) The Secretary, after consultation with the Nevada Department of Wildlife, may issue regulations designating zones where and establishing when hunting shall not be permitted for reasons of public safety, administration, or public use and enjoyment.

(c) Preventive measures

Nothing in this subchapter shall preclude such measures as the Secretary deems necessary to prevent devastating fire or infestation of insects or disease within the conservation area.

(d) Mechanized vehicles

Except when needed for administrative or emergency purposes, the use of mechanized vehicles in the conservation area shall be allowed only on roads and trails specifically designated for such use as provided in the management plan prepared pursuant to section 460ccc-3 of this title.

(e) Limits on visitation and use

The Secretary may limit visitation and use of the conservation area as the Secretary finds appropriate for the protection of the resources of the conservation area.

§ 460ccc-3. Management plan

(a) In general

(1) No later than January 1, 1997, the Secretary shall develop and transmit to the Com-

mittee on Energy and Natural Resources of the United States Senate and the Committee on Natural Resources of the United States House of Representatives, a general management plan for the conservation area, which shall describe the appropriate uses and development of the conservation area consistent with the purposes of this subchapter.

(2) The management plan described in paragraph (1) shall be developed with full public participation and shall include—

(A) an implementation plan for a continuing program of interpretation and public education about the resources and values of the conservation area;

(B) a proposal for administrative and public facilities to be developed, expanded, or improved for the conservation area including the Red Rock Canyon visitors center, to accommodate visitors to the conservation area;

(C) a cultural resources management plan for the conservation area prepared in consultation with the Nevada State Historic Preservation Officer, with emphasis on the preservation of the resources in the conservation area and the interpretive, educational, and long-term scientific uses of these resources, giving priority to the enforcement of the Archaeological Resources Protection Act of 1979 (16 U.S.C. 470aa et seq.) and the National Historic Preservation Act¹ within the conservation area;

(D) a wildlife resource management plan for the conservation area prepared in consultation with appropriate departments of the State of Nevada and using previous studies of the area; and

(E) a recreation management plan, including nonmotorized dispersed recreation opportunities for the conservation area in consultation with appropriate departments of the State of Nevada.

(b) Wilderness study areas

Subject to section 460ccc-5 of this title, nothing in this subchapter is intended to alter the requirements of section 1782 of title 43, or section 5(a) of the National Forest and Public Lands of Nevada Enhancement Act of 1988 (102 Stat. 2751), as those requirements apply to the lands within, or adjacent to the conservation area as of November 16, 1990.
