

Area can be seen or heard within the National Conservation Area shall not preclude the activity or use outside the boundary of the Area.

(o) Withdrawal

(1) In general

Subject to valid existing rights, all Federal land in the National Conservation Area (including any land acquired after March 12, 2019) is withdrawn from—

- (A) all forms of entry, appropriation, and disposal under the public land laws;
- (B) location, entry, and patent under the mining laws; and
- (C) operation of the mineral leasing, mineral materials, and geothermal leasing laws.

(p) Vegetation management

Nothing in this section prevents the Secretary from conducting vegetation management projects, including fuels reduction activities, within the National Conservation Area that are consistent with this section and that further the purposes of the National Conservation Area.

(q) Wildland fire operations

Nothing in this section prohibits the Secretary, in consultation with other Federal, State, local, and Tribal agencies, as appropriate, from conducting wildland fire prevention and restoration operations in the National Conservation Area, consistent with the purposes of this section.

(r) Recreation fees

Except for improved campgrounds, the Secretary is prohibited from collecting recreation entrance or use fees within the National Conservation Area.

(s) Outfitting and guide activities

Outfitting and guide services within the National Conservation Area, including commercial outfitting and guide services, are authorized in accordance with this section and other applicable law (including regulations).

(t) Non-Federal land

(1) In general

Nothing in this section affects non-Federal land or interests in non-Federal land within the National Conservation Area.

(2) Reasonable access

The Secretary shall provide reasonable access to non-Federal land or interests in non-Federal land within the National Conservation Area.

(u) Research and interpretive management

The Secretary may establish programs and projects for the conduct of scientific, historical, cultural, archeological, and natural studies through the use of public and private partnerships that further the purposes of the National Conservation Area.

§ 460ddd-1. Management of Recreation Area

(a) In general

The Secretary shall administer the Recreation Area—

(1) in a manner that conserves, protects, and enhances the purposes for which the Recreation Area is established; and

(2) in accordance with—

(A) this section;

(B) the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.); and

(C) other applicable laws.

(b) Uses

The Secretary shall allow only uses of the Recreation Area that are consistent with the purposes for which the Recreation Area is established.

(c) Management Plan

(1) In general

Not later than 5 years after March 12, 2019, the Secretary shall develop a comprehensive management plan for the long-term protection and management of the Recreation Area.

(2) Requirements

The Management Plan shall—

(A) describe the appropriate uses and management of the Recreation Area;

(B) be developed with extensive public input;

(C) take into consideration any information developed in studies of the land within the Recreation Area; and

(D) be developed fully consistent with the settlement agreement entered into on January 13, 2017, in the case in the United States District Court for the District of Utah styled “Southern Utah Wilderness Alliance, et al. v. U.S. Department of the Interior, et al.” and numbered 2:12-cv-257 DAK.

(d) Motorized vehicles; new roads

(1) Motorized vehicles

Except as needed for emergency response or administrative purposes, the use of motorized vehicles in the Recreation Area shall be permitted only on roads and motorized routes designated in the Management Plan for the use of motorized vehicles.

(2) New roads

No new permanent or temporary roads or other motorized vehicle routes shall be constructed within the Recreation Area after March 12, 2019.

(3) Existing roads

(A) In general

Necessary maintenance or repairs to existing roads designated in the Management Plan for the use of motorized vehicles, including necessary repairs to keep existing roads free of debris or other safety hazards, shall be permitted after March 12, 2019, consistent with the requirements of this section.

(B) Effect

Nothing in this subsection prevents the Secretary from rerouting an existing road or trail to protect Recreation Area resources from degradation or to protect public safety, as determined to be appropriate by the Secretary.

(e) Grazing

(1) In general

The grazing of livestock in the Recreation Area, if established before March 12, 2019, shall be allowed to continue, subject to such reasonable regulations, policies, and practices as the Secretary considers to be necessary in accordance with—
