REFERENCES

Pub. L. 115-108, §3, Jan. 8, 2018, 131 Stat. 2267, provided that: “Any reference in a law (other than this Act [See Short Title of 2017 Amendment note above]), map, regulation, document, paper, or other record of the United States to ‘Martin Luther King, Junior, National Historic Site’ shall be deemed to be a reference to ‘Martin Luther King, Jr. National Historical Park’.”

FINDINGS AND PURPOSE

Pub. L. 108-314, §2, Oct. 5, 2004, 118 Stat. 1198, provided that:

“(a) FINDINGS.—Congress finds the following:

“(1) Public Law 96-438 [probably means 96-428, enacting this subchapter] established the Martin Luther King, Junior, National Historic Site [now Martin Luther King, Jr. National Historical Park], and allows acquisition, by donation only, of lands owned by the State.

“(2) The National Park Service owns a vacant lot that has no historic significance. The City of Atlanta has expressed interest in acquiring this property to encourage commercial development along Edgewood Avenue.

“(3) The National Historic Site Visitor Center and Museum is land-locked and has no emergency ingress or egress, making it virtually impossible for fire-fighting equipment to reach.

“(4) The acquisition of city-owned property would enable the National Park Service to establish easy street access to the National Historic Site Visitor Center and Museum, and would benefit the City by exchanging a piece of property that the City could develop.

“(b) PURPOSE.—The purpose of this Act [see Short Title of 2004 Amendment note above] is to authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia.”

§ 410www-1. Administration

(a) The Secretary of the Interior (hereinafter referred to as “the Secretary”) shall administer

the Martin Luther King, Jr. National Historical Park and Preservation District in accordance with the provisions of this subchapter, and the provisions of law generally applicable to national historic sites,¹ including the Act of August 25, 1916 (39 Stat. 535; 16 U.S.C. 1, 2-4) and the Act of August 21, 1935 (49 Stat. 666; 16 U.S.C. 461-7).

(b)(1) Within the national historical park the Secretary is authorized to acquire by donation, purchase with donated or appropriated funds, transfer, or exchange, lands and interests therein, except that property owned by the State of Georgia or any political subdivision thereof may be acquired only by donation or exchange.

(2) Notwithstanding the acquisition authority contained in paragraph (1), any lands or interests therein which are owned wholly or in part, by the widow of Martin Luther King, Junior, or by the Martin Luther King, Junior, Center for Social Change, shall be acquired only with the consent of the owner thereof, except that—

(A) the Secretary may acquire such property in accordance with the provisions of this section if he determines that the property is undergoing or is about to undergo a change in use which is inconsistent with the purposes of this subchapter, and

(B) with respect to properties owned by the Center for Social Change, the Secretary shall have the first right of refusal to purchase such property for a purchase price not exceeding the fair market value of such property on the date it is offered for sale.

(3) Property may be acquired pursuant to this section subject to such conditions and reservations as in the judgment of the Secretary are not inconsistent with the purposes of this subchapter and the administration of the national historical park, including, in the event that the burial site of Martin Luther King, Junior, is acquired, the condition that his widow may be interred therein.

(4) Any and all legal or equitable title, interests, or encumbrances, if any, held by the Department of Housing and Urban Development in the property designated “Parcel A” on the map referenced in section 460bbbbb of this title are hereby conveyed to the Secretary to be administered in accordance with the purposes of this subchapter.

(5) Structural space requirements of the National Park Service to meet its administrative, operational, and interpretive functions for the national historical park and preservation district shall, to the maximum extent feasible without displacing residents, be met within the district through the adaptive use of existing structures.
