§ 459j. Canaveral National Seashore; establishment; boundary; boundary revisions; limitation on area

In order to preserve and protect the outstanding natural, scenic, scientific, ecologic, and historic values of certain lands, shoreline, and waters of the State of Florida, and to provide for public outdoor recreation use and enjoyment of the same, there is hereby established the Canaveral National Seashore (hereinafter referred to as the “seashore”), as generally depicted on the map entitled “Boundary Map, Canaveral National Seashore”, dated August 1974 and numbered NS-CAN-40,000A. Such seashore shall comprise approximately sixty-seven thousand five hundred acres within the area more particularly described by a line beginning at the intersection of State Highway 3 and State Road 402, thence generally easterly following State Road 402 to a point one-half mile offshore in the Atlantic Ocean, thence northwesterly along a line which is at each point one-half mile distant from the high water mark to Bethune Beach, thence inland in a generally westerly direction through Turner Flats and Shipyard Canal, thence northwesterly to the Intracoastal Waterway, thence southerly along the Intracoastal Waterway to the boundary of the Kennedy Space Center, thence southwesterly to United States Highway 1, thence southerly along State Highway 3 to the point of beginning. The boundary map shall be on file and available for public inspection in the offices of the United States Fish and Wildlife Service and National Park Service, Department of the Interior, Washington, District of Columbia. After advising the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives, in writing, at least sixty days prior to making any boundary revisions, the Secretary may from time to time make minor revisions in the boundaries of the seashore by publication of a revised map or other boundary description in the Federal Register: *Provided*, That the total acreage included within the boundaries shall not exceed that enumerated in this section.

AMENDMENTS

1994—Pub. L. 103-437 substituted “Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives” for “Committees on Interior and Insular Affairs of the United States Congress”.

§ 459j-1. Acquisition of property; donation and development of State lands; transfer from Federal agency to administrative jurisdiction of Secretary; written cooperative agreement with National Aeronautics and Space Administration; construction and development; report to Congressional committees

Within the boundaries of the seashore, the Secretary may acquire lands, waters, and interests therein by donation, purchase with donated or appropriated funds, exchange, or transfer. Any property owned by the State of Florida or any political subdivision thereof may be acquired only by donation. It is the intent and purpose of sections 459j to 459j-8 of this title that the Secretary shall have sole authority to develop and improve those State owned lands donated now and in the future in accordance with the intent and purposes of sections 459j to 459j-8 of this title. Notwithstanding any other provision of law, any federally owned property within the boundaries of the seashore may, with the concurrence of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary of the Interior and he may develop and administer such lands in a manner consistent with the purposes of sections 459j to 459j-8 of this title. In accepting lands transferred by the National Aeronautics and Space Administration pursuant to sections 459j to 459j-8 of this title the Secretary shall enter into a written cooperative agreement with the Administrator to assure the use of such lands in a manner which is deemed consistent with the public safety and with the needs of the space and defense programs of the Nation: *Provided*, That no new construction or development shall be permitted within the seashore, except for the construction of such facilities as the Secretary deems necessary for the health and safety of the visiting public or for the proper administration of the seashore: *Provided further*, That after January 3, 1975, the Secretary of the Interior, in cooperation with the Administrator of the National Aeronautics and Space Administration, shall submit to the Committees on Natural Resources and on Science, Space, and Technology of the House of Representatives and to the Committees on Energy and Natural Resources and on Commerce, Science, and Transportation of the Senate a report of all land transfers made by the National Aeronautics and Space Administration to the Department of the Interior under sections 459j to 459j-8 of this title.
