¹ So in original. Probably should be "September 1976, and numbered 626-91007."

Editorial Notes

AMENDMENTS

1986—Pub. L. 99-583 inserted provisions relating to the map referred to in section 460u-3 of this title.

§ 460u-17. Lands within area I-E used for solid waste disposal**(a) Commitment to reclaim land at no expense to Federal Government**

The Secretary may not acquire such lands within the western section of area I-E, as designated on map numbered 626-91007, which have been used for solid waste disposal until he has received a commitment, in accordance with a plan acceptable to him, to reclaim such lands at no expense to the Federal Government.

(b) Cooperation with State of Indiana or subdivision thereof to develop area

With respect to the property identified as area I-E on map numbered 626-91007, the Secretary may enter into a cooperative agreement whereby the State of Indiana or any political subdivision thereof may undertake to develop, manage, and interpret such area in a manner consistent with the purposes of this subchapter.

(Pub. L. 89-761, §17, formerly §18, as added and renumbered Pub. L. 94-549, §1(8), (9), Oct. 18, 1976, 90 Stat. 2531, 2533.)

§ 460u-18. Study of areas III-A, III-C, and II-A; report to Congressional committees

(a) By July 1, 1977, the Secretary shall prepare and transmit to the Committees on Interior and Insular Affairs of the United States Congress a study of areas III-A, III-C, and II-A, as designated on map numbered 626-91007. The Secretary shall make reasonable provision for the timely participation of the State of Indiana, local public officials, affected property owners, and the general public in the formulation of said study, including, but not limited to, the opportunity to testify at a public hearing. The record of such hearing shall accompany said study. With respect to areas III-A and III-C, the study shall (a) address the desirability of acquisition of any or all of the area from the standpoint of resource management, protection, and public access; (b) develop alternatives for the control of beach erosion if desirable, including recommendations, if control is necessary, of assessing the costs of such control against those agencies responsible for such erosion; (c) consider and propose options to guarantee public access to and use of the beach area, including the location of necessary facilities for transportation, health, and safety; (d) detail the recreational potential of the area and all available alternatives for achieving such potential; (e) review the environmental impact upon the Park resulting from the potential development and improvement of said areas; and (f) assess the cost to the United States from both the acquisition of said areas together with the potential savings from the retention of rights of use and occupancy and from the retention of the boundaries of the Park, as designated on map numbered 626-91007, including the costs of additional administrative responsibilities necessary for the management of the
