SEPARABILITY

Pub. L. 94-199, §17, Dec. 31, 1975, 89 Stat. 1123, provided that: “If any provision of this Act [this subchapter] is declared to be invalid, such declaration shall not affect the validity of any other provision hereof.”

§ 460gg-1. Wilderness designation

(a) Map designation

The lands depicted as the “Hells Canyon Wilderness” on the map referred to in section 460gg(b) of this title are hereby designated as wilderness.

(b) Application of Wilderness Act

The wilderness designated by this subchapter shall be administered by the Secretary in accordance with the provisions of this subchapter or in accordance with the provisions of the Wilderness Act [16 U.S.C. 1131 et seq.], whichever is the more restrictive, except that any reference in such provisions of the Wilderness Act to the effective date of that Act shall be deemed to be a reference to the effective date of this subchapter. The provisions of section 460gg-6(b) and section 460gg-8 of this title shall apply to the wilderness. The Secretary shall make such boundary revisions to the wilderness as may be necessary due to the exercise of his authority under subsection 3(b) of this Act.

§ 460gg-5. Management plan for recreation area**(a) Development and submission**

Within five years from December 31, 1975, the Secretary shall develop and submit to the Committees on Interior and Insular Affairs of the United States Senate and House of Representatives a comprehensive management plan for the recreation area which shall provide for a broad range of land uses and recreation opportunities.

(b) Consideration of historic, archeological and paleontological resources; inventory; recommendation of areas for listing in National Register of Historic Places; recommendation for protection and research of resources

In the development of such plan, the Secretary shall consider the historic, archeological, and paleontological resources within the recreation area which offer significant opportunities for anthropological research. The Secretary shall inventory such resources and may recommend such areas as he deems suitable for listing in the National Register of Historic Places. The Secretary's comprehensive plan shall include recommendations for future protection and controlled research use of all such resources.

(c) Scenic roads and other means of transit

The Secretary shall, as a part of his comprehensive planning process, conduct a detailed study of the need for, and alternative routes of, scenic roads and other means of transit to and within the recreation area. In conducting such study the Secretary shall consider the alter-
