§ 152. Additional land withdrawn; payment; management and control; regulations; sale of improvements; penalties; town lots

The Secretary of the Interior is authorized and directed to withhold from sale or other disposition the irregular tract of land containing seventy-eight and sixty-eight one-hundredths acres, more or less, lying in the northwest quarter of section 2 and the northeast quarter of section 3, township 1 south, range 3 east, and being within the exterior boundaries of the proposed town site of Sulphur, in the Chickasaw Nation, Indian Territory, and excluded from said town site by order of the Secretary of the Interior, of October 20, 1903, and also to withdraw and withhold from disposition the tract of land within the exterior boundaries of said proposed town site, lying south of and adjacent to the tract above mentioned, containing in the aggregate one hundred and thirty-eight acres, more or less, and mentioned in the report of Gerard H. The land reserved shall be paid for by the United States at the rate of \$60 per acre and in the same manner as the land acquired in accordance with the provisions of section 151 of this title and shall be a part of the reservation established at the village of Sulphur, subject to all the provisions of said section 151, respecting the care, control, direction, use, and occupancy thereof as if they had been included in the original segregation. The Secretary of the Interior is authorized, in his discretion, to sell or dispose of any buildings upon the land reserved, and all money received from such sales, or that may be realized for the use of said waters or for the use and occupancy of the land or the buildings thereon, through leases, permits, or otherwise, shall be covered into the Treasury of the United States to the credit of miscellaneous receipts. If any person, firm, or corporation shall willfully violate any of the rules and regulations prescribed by the Secretary of the Interior relative to the use of the waters of said springs and creeks and the use and occupation of the lands in said reservation, such person, firm, corporation, or members or agents thereof, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than \$5 and not more than \$100, and may be imprisoned for a term of not more than six months for each offense.

Editorial Notes

CODIFICATION

A clause of the original text making an appropriation to carry out this provision and a provision for appraisal of and payment for all improvements upon the land have been omitted as executed.

Provisions requiring the Secretary to cover all money received into the Treasury to the credit of miscellaneous receipts were substituted for provisions which permitted the expenditure of such money under the direction of the Secretary for the care and management of the lands and the preservation of the improvements thereon in view of act June 12, 1917, which required the Secretary to cover the receipts of all revenues of the national parks into the Treasury to the credit of miscellaneous receipts.
