

§ 228g. Aircraft or helicopter regulation within enlarged boundaries; procedure for promulgation of administrative rules and regulations

Whenever the Secretary has reason to believe that any aircraft or helicopter activity or operation may be occurring or about to occur within the Grand Canyon National Park, as enlarged by sections 228a to 228j of this title, including the airspace below the rims of the canyon, which is likely to cause an injury to the health, welfare, or safety of visitors to the park or to cause a significant adverse effect on the natural quiet and experience of the park, the Secretary shall submit to the Federal Aviation Administration, the Environmental Protection Agency pursuant to the Noise Control Act of 1972 [42 U.S.C. 4901 et seq.], or any other responsible agency or agencies such complaints, information, or recommendations for rules and regulations or other actions as he believes appropriate to protect the public health, welfare, and safety or the natural environment within the park. After reviewing the submission of the Secretary, the responsible agency shall consider the matter, and after consultation with the Secretary, shall take appropriate action to protect the park and visitors.

§ 228i. Havasupai Indian Reservation

(a) Lands of Havasupai Reservation Addition held in trust by United States; boundaries

For the purpose of enabling the tribe of Indians known as the Havasupai Indians of Arizona (hereinafter referred to as the “tribe”) to improve the social, cultural, and economic life of its members, the lands generally depicted as the “Havasupai Reservation Addition” on the map

described in section 228b of this title, and consisting of approximately one hundred and eighty-five thousand acres of land and any improvements thereon, are hereby declared to be held by the United States in trust for the Havasupai Tribe. Such map, which shall delineate a boundary line generally one-fourth of a mile from the rim of the outer gorge of the Grand Canyon of the Colorado River and shall traverse Havasu Creek from a point on the rim at Yumtheska Point to Beaver Falls to a point on the rim at Ukwalla Point, shall be on file and available for public inspection in the Offices of the Secretary, Department of the Interior, Washington, District of Columbia.

(b) Lands held in trust by United States included within Reservation; administration pursuant to laws and regulations applicable to other trust Indian lands; specific administrative criteria and restrictions

The lands held in trust pursuant to this section shall be included in the Havasupai Reservation, and shall be administered under the laws and regulations applicable to other trust Indian lands: *Provided*, That—

(1) the lands may be used for traditional purposes, including religious purposes and the gathering of, or hunting for, wild or native foods, materials for paints and medicines;

(2) the lands shall be available for use by the Havasupai Tribe for agricultural and grazing purposes, subject to the ability of such lands to sustain such use as determined by the Secretary;

(3) any areas historically used as burial grounds may continue to be so used;

(4) a study shall be made by the Secretary, in consultation with the Havasupai Tribal Council, to develop a plan for the use of this land by the tribe which shall include the selection of areas which may be used for residential, educational, and other community purposes for members of the tribe and which shall not be inconsistent with, or detract from, park uses and values; *Provided further*, That before being implemented by the Secretary, such plan shall be made available through his offices for public review and comment, shall be subject to public hearings, and shall be transmitted, together with a complete transcript of the hearings, at least 90 days prior to implementation, to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives; and *Provided further*, That any subsequent revisions of this plan shall be subject to the same procedures as set forth in this paragraph;

(5) no commercial timber production, no commercial mining or mineral production, and no commercial or industrial development shall be permitted on such lands: *Provided further*, That the Secretary may authorize the establishment of such tribal small business enterprises as he deems advisable to meet the needs of the tribe which are in accordance with the plan provided in paragraph (4) of this subsection;

(6) nonmembers of the tribe shall be permitted to have access across such lands at lo-
