§ 831h-1. Operation of dams primarily for promotion of navigation and controlling floods; generation and sale of electricity

The Board is directed in the operation of any dam or reservoir in its possession and control to regulate the stream flow primarily for the purposes of promoting navigation and controlling floods. So far as may be consistent with such purposes, the Board is authorized to provide and operate facilities for the generation of electric energy at any such dam for the use of the Corporation and for the use of the United States or any agency thereof, and the Board is further authorized, whenever an opportunity is afforded, to provide and operate facilities for the generation of electric energy in order to avoid the waste of water power, to transmit and market such power as in this chapter provided, and thereby, so far as may be practicable, to assist in liquidating the cost or aid in the maintenance of the projects of the Authority.

§ 831h-2. Repealed. Pub. L. 86-137, §1, Aug. 6, 1959, 73 Stat. 280

Section, act July 30, 1947, ch. 358, title II, §201, 61 Stat. 574, placed a limitation on use of power revenues of the Tennessee Valley Authority. See section 831n-4 of this title.

§ 831h-3. Recreational access**(a) Definition of floating cabin**

In this section, the term “floating cabin” means a watercraft or other floating structure—

- (1) primarily designed and used for human habitation or occupation; and
- (2) not primarily designed or used for navigation or transportation on water.

(b) Recreational access

The Board may allow the use of a floating cabin if—

- (1) the floating cabin is maintained by the owner to reasonable health, safety, and envi-

ronmental standards, as required by the Board;

(2) the Corporation has authorized the use of recreational vessels on the waters; and

(3) the floating cabin was located on waters under the jurisdiction of the Corporation as of December 16, 2016.

(c) Fees

The Board may levy fees on the owner of a floating cabin on waters under the jurisdiction of the Corporation for the purpose of ensuring compliance with subsection (b) if the fees are necessary and reasonable for such purpose.

(d) Continued recreational use**(1) In general**

With respect to a floating cabin located on waters under the jurisdiction of the Corporation on December 16, 2016, the Board—

(A) may not require the removal of the floating cabin—

(i) in the case of a floating cabin that was granted a permit by the Corporation before December 16, 2016, for a period of 15 years beginning on such date; and

(ii) in the case of a floating cabin not granted a permit by the Corporation before December 16, 2016, for a period of 5 years beginning on such date; and

(B) shall approve and allow the use of the floating cabin on waters under the jurisdiction of the Corporation at such time and for such duration as—

(i) the floating cabin meets the requirements of subsection (b); and

(ii) the owner of the floating cabin has paid any fee assessed pursuant to subsection (c).

(2) Savings provisions

(A) Nothing in this subsection restricts the ability of the Corporation to enforce reasonable health, safety, or environmental standards.

(B) This section applies only to floating cabins located on waters under the jurisdiction of the Corporation.

(e) New construction

The Corporation may establish regulations to prevent the construction of new floating cabins.

(May 18, 1933, ch. 32, §9b, as added Pub. L. 114-322, title IV, §5003, Dec. 16, 2016, 130 Stat. 1886.)

§ 831i. Sale of surplus power; preferences; experimental work; acquisition of existing electric facilities

The Board is empowered and authorized to sell the surplus power not used in its operations, and for operation of locks and other works generated by it, to States, counties, municipalities, corporations, partnerships, or individuals, according to the policies hereinafter set forth; and to carry out said authority, the Board is authorized to enter into contracts for such sale for a term not exceeding twenty years, and in the sale of such current by the Board it shall give preference to States, counties, municipalities, and cooperative organizations of citizens or farmers,
