§ 469d. Ice Age National Scientific Reserve; statement of purpose

It is the purpose of sections 469d to 469i of this title to assure protection, preservation, and interpretation of the nationally significant values of Wisconsin continental glaciation, including moraines, eskers, kames, kettleholes, drumlins, swamps, lakes, and other reminders of the ice age.

(Pub. L. 88-655, §1, Oct. 13, 1964, 78 Stat. 1087.)

§ 469e. Plan for continental glaciation**(a) Federal funds**

To implement the purpose of sections 469d to 469i of this title, the Secretary of the Interior (hereinafter called the "Secretary"), in cooperation with State and local governmental authorities of Wisconsin, may formulate within two years after October 13, 1964, a comprehensive plan for the protection, preservation, and interpretation of outstanding examples of continental glaciation in Wisconsin; but he shall not spend more than \$50,000 of Federal funds thereon.

(b) Copies to Congress; establishment; boundaries

When the comprehensive plan is completed and the Secretary is satisfied that State legislation exists for the preservation of the nationally significant features of the reserve, open to the people of the entire Nation, he shall transmit copies thereof to the President of the Senate and the Speaker of the House of Representatives and may, ninety days thereafter and after consulting with the Governor of the State of Wisconsin, publish notice in the Federal Register of the establishment of the Ice Age National Scientific Reserve and of the boundaries thereof, which boundaries shall comprise lands owned or to be acquired by the State and local governments of Wisconsin in the following areas:

(1) Eastern area (portions of the northern unit of the Kettle Moraine State Forest and Campbellsport drumlin area);

(2) Central area (portions of Devil's Lake State Park);

(3) Northwestern area (portions of Chippewa County);

(4) Related areas (other areas in the State of Wisconsin which the Secretary and the Gov-
