AMENDMENTS

1962—Pub. L. 87-869 struck out the \$25,000,000 limitation on amount of capitalization in Forest Service working capital fund.

§ 579c. Availability of funds received from forfeitures, judgments, compromises, or settlements

Any moneys received by the United States with respect to lands under the administration of the Forest Service (1) as a result of the forfeiture of a bond or deposit by a permittee or timber purchaser for failure to complete performance of improvement, protection, or rehabilitation work required under the permit or timber sale contract or (2) as a result of a judgment, compromise, or settlement of any claim, involving present or potential damage to lands or improvements, shall be covered into the Treasury and are hereby appropriated and made available until expended to cover the cost to the United States of any improvement, protection, or rehabilitation work on lands under the administration of the Forest Service rendered necessary by the action which led to the forfeiture, judgment, compromise, or settlement: *Provided*, That any portion of the moneys so received in excess of the amount expended in performing the work necessitated by the action which led to their receipt shall be transferred to miscellaneous receipts.

(Pub. L. 85-464, §7, June 20, 1958, 72 Stat. 217.)

§ 579d. Indirect expenditures; future budget justifications

The Forest Service shall implement and adhere to the definitions of indirect expenditures established pursuant to Public Law 105-277 on a nationwide basis without flexibility for modification by any organizational level except the Washington Office, and when changed by the Washington Office, such changes in definition shall be reported in budget requests submitted by the Forest Service: *Provided further*, That the Forest Service shall provide in all future budget justifications, planned indirect expenditures in accordance with the definitions, summarized and displayed to the Regional, Station, Area, and detached unit office level. The justification shall display the estimated source and amount of indirect expenditures, by expanded budget line item, of funds in the agency's annual budget justification. The display shall include appropriated funds and the Knutson-Vandenberg, Brush Disposal, Cooperative Work-Other, and Salvage Sale funds. Changes between estimated and actual indirect expenditures shall be reported in subsequent budget justifications.

§ 579e. Forest service budget restructure

(a) The Secretary of Agriculture shall establish the 'Forest Service Operations' account not later than October 1, 2020, for the necessary expenses of the Forest Service: (1) for the base salary and expenses of employees in the Chief's Office, the Work Environment and Performance Office, the Business Operations Deputy Area, and the Chief Financial Officer's Office to carry out administrative and general management support functions; (2) for the costs of facility maintenance, repairs, and leases for buildings and sites; (3) for the costs of utility and communication expenses, business services, and information technology, including cybersecurity requirements; and (4) for such other administrative support function expenses necessary for the operation of the Forest Service.

(b) Subsequent to the establishment of the account under subsection (a), the Secretary of Ag-

riculture may execute appropriations of the Department for fiscal year 2021 as provided pursuant to such subsection, including any continuing appropriations made available for fiscal year 2021 before enactment of a regular appropriations Act.

(c) Notwithstanding any other provision of law, the Secretary of Agriculture may transfer any unobligated balances made available to the Forest Service by this or prior appropriations Acts to the account established under subsection (a) to carry out such subsection, and shall notify the Committees on Appropriations of the Senate and the House of Representatives within 5 days of such transfer: *Provided*, That no amounts may be transferred from amounts that were made available for wildfire suppression operations pursuant to section 901(b)(2)(F) of title 2.

(d)(1) Not later than November 1, 2020, the Secretary of Agriculture shall establish the preliminary baseline for application of transfer authorities and submit the report specified in paragraph (2) to the Committees on Appropriations for the Senate and the House of Representatives.

(2) The report required in this subsection shall include—

(A) a delineation of the amount and account of each transfer made pursuant to subsection (b) or (c);

(B) a table for each appropriation with a separate column to display the fiscal year 2020 enacted levels, adjustments made by Congress, adjustments due to enacted rescissions, if appropriate, and adjustments made pursuant to the transfer authority in subsection (b) or (c), and the resulting fiscal year level;

(C) a delineation in the table for each appropriation, adjusted as described in paragraph (2), both by budget activity and program, project, and activity as detailed in the Budget Appendix; and

(D) an identification of funds directed for a specific activity.
