Each elected local advisory board existing for such purpose on April 24, 1950, and recognized as such by the Department of Agriculture, shall continue to be the local advisory board for the unit or area it represents, until replaced by a local advisory board or boards constituted and elected as hereinafter provided.

If as a result of this notice the Secretary of Agriculture shall receive any recommendation respecting the issuance of the proposed regulation and shall overrule, disregard, or modify any such regulations, he or his representative shall furnish in writing to the local advisory board his reasons for such action.

(2) Any such local advisory board may at any time recommend to the Secretary of Agriculture, or his representative, the issuance of regulations or instructions relating to the use of national forest lands, seasons of use, grazing capacity of such lands, and any other matters affecting the administration of grazing in the area represented by such board.
