(2)(A) The Secretary shall ensure that, to the greatest extent practicable, funds provided as grants under this subsection are distributed equitably among the stranding regions designated as of December 21, 2000, and in making such grants shall give preference to those facilities that have established records for rescuing or rehabilitating sick and stranded marine mammals in each of the respective regions, or subregions.

(B) In determining priorities among such regions, the Secretary may consider—

(i) any episodic stranding or any mortality event other than an event described in section 1421h(6) of this title, that occurred in any region in the preceding year;

(ii) data regarding average annual strandings and mortality events per region; and

(iii) the size of the marine mammal populations inhabiting a geographic area within such a region.

**(b) Application**

To receive a grant under this section, a stranding network participant shall submit an

application in such form and manner as the Secretary may prescribe.

**(c) Consultation**

The Secretary shall consult with the Marine Mammal Commission, a representative from each of the designated stranding regions, and other individuals who represent public and private organizations that are actively involved in rescue, rehabilitation, release, scientific research, marine conservation, and forensic science regarding stranded marine mammals, regarding the development of criteria for the implementation of the grant program and the awarding of grants under the program.

**(d) Limitation**

The amount of a grant under this section shall not exceed \$100,000.

**(e) Matching requirement**

**(1) In general**

The non-Federal share of the costs of an activity conducted with a grant under this section shall be 25 percent of such costs.

**(2) In-kind contributions**

The Secretary may apply to the non-Federal share of an activity conducted with a grant under this section the amount of funds, and the fair market value of property and services, provided by non-Federal sources and used for the activity.

**(f) Administrative expenses**

Of amounts available each fiscal year to carry out this section, the Secretary may expend not more than 6 percent or \$80,000, whichever is greater, to pay the administrative expenses necessary to carry out this section.
