- (2) lands owned in fee title by a State, including an agency or a subdivision of a State, or a unit of local government;
- (3) land subject to an easement or deed restriction which, as determined by the Secretary, provides similar protection as would be provided by enrollment in the program; or
- (4) lands where the purposes of the program would be undermined due to on-site or off-site conditions, such as risk of hazardous substances, permitted or existing rights of way, infrastructure development, or adjacent land uses.

**(b) Priority**

In evaluating applications under the program, the Secretary may give priority to land that is currently enrolled in the conservation reserve program in a contract that is set to expire within 1 year and—

**(c) Subordination, exchange, modification, and termination**

**(1) Subordination**

The Secretary may subordinate any interest in land, or portion of such interest, administered by the Secretary (including for the purposes of utilities and energy transmission services) either directly or on behalf of the Commodity Credit Corporation under the program if the Secretary determines that the subordination—

- (B) minimally affects the acreage subject to the interest in land; and
- (C) is in the public interest or furthers the practical administration of the program.

**(2) Modification and exchange**

**(A) Authority**

The Secretary may approve a modification or exchange of any interest in land, or portion of such interest, administered by the Secretary, either directly or on behalf of the Commodity Credit Corporation under the program if the Secretary determines that—

- (ii) the modification or exchange—
  - (I) results in equal or increased conservation values;

(II) results in equal or greater economic value to the United States;

(III) is consistent with the original intent of the easement;

(IV) is consistent with the purposes of the program; and

(V) is in the public interest or furthers the practical administration of the program.

**(B) Limitation**

In modifying or exchanging an interest in land, or portion of such interest, under this paragraph, the Secretary may not increase any payment to an eligible entity.

**(3) Termination**

The Secretary may approve a termination of any interest in land, or portion of such interest, administered by the Secretary, directly or on behalf of the Commodity Credit Corporation under the program if the Secretary determines that—

(A) termination is in the interest of the Federal Government;

(B) the United States will be fully compensated for—

(i) the fair market value of the interest in land;

(ii) any costs relating to the termination; and

(iii) any damages determined appropriate by the Secretary; and

(C) the termination will—

(i) address a compelling public need for which there is no practicable alternative even with avoidance and minimization; and

(ii) further the practical administration of the program.

**(4) Consent**

The Secretary shall obtain consent from the landowner and eligible entity, if applicable, for any subordination, exchange, modification, or termination of interest in land, or portion of such interest, under this subsection.

**(5) Notice**

At least 90 days before taking any termination action described in paragraph (3), the Secretary shall provide written notice of such action to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate.

**(d) Land enrolled in other programs**

**(1) Conservation reserve program**

The Secretary may terminate or modify a contract entered into under section 3831(a) of this title if eligible land that is subject to such contract is enrolled in an easement under section 3865c(b) of this title.

In accordance with the provisions of subtitle H of title II of the Agricultural Act of 2014, land enrolled in the wetlands reserve program, grassland reserve program, or farmland protection program on the day before February 7, 2014, shall be considered enrolled in the program.

**(3) Agricultural land easements**

A farmer or rancher who owns eligible land subject to an agricultural land easement may enter into a contract under subpart B of part I of subchapter IV.

**(e) Compliance with certain requirements**

The Secretary may not provide assistance under this subchapter to an eligible entity or owner of eligible land unless the eligible entity or owner agrees, during the crop year for which the assistance is provided—
