The Federal Advisory Committee Act, referred to in text, is Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, as amended, which is set out in the Appendix to Title 5, Government Organization and Employees.

§ 5724. Authority and responsibility

(a) Responsible management entity

The State of Alaska Department of Fish and Game shall be the responsible management entity for the United States for the purposes of any agreement with Canada regarding management of salmon stocks originating from the Yukon River in Canada.

(b) Effect of designation

The designation under subsection (a) shall not be considered to expand, diminish, or otherwise change the management authority of the State of Alaska or the Federal Government with respect to fishery resources.

(c) Recommendations of Panel

In addition to recommendations made by the Panel to the responsible management entities in accordance with any agreement with Canada regarding management of salmon stocks originating from the Yukon River in Canada, the Panel may make recommendations concerning the conservation and management of salmon originating in the Yukon River to the Department of the Interior, the Department of Commerce, the Department of State, the North Pacific Fishery Management Council, and other Federal or State entities as appropriate. Recommendations by the Panel shall be advisory in nature.
