

cordance with law and compatible with the purpose for which acceptance is sought.

(b) Use of gifts, devises, and bequests

(1) In general

Any gifts and bequests of money and proceeds from the sales of other property received as gifts or bequests pursuant to this subsection shall be deposited in a separate account in the Treasury and may be expended without further appropriation by the Secretary for the benefit of the System programs administered by the United States Fish and Wildlife Service.

(2) Gifts, devises, and bequests for particular facilities

(A) Disbursal

Any gift, devise, or bequest made for the benefit of a facility of the System shall be disbursed only for the benefit of that facility and without further appropriations.

(B) Matching

Subject to the availability of appropriations and the requirements of the Fish and Wildlife Coordination Act (16 U.S.C. 661 et seq.) and other applicable law, the Secretary may provide funds to match gifts, devises, and bequests made for the benefit of a facility of the System. With respect to each gift, devise, or bequest, the amount of Federal funds may not exceed the amount (or, in the case of property or in-kind services, the fair market value) of the gift, devise, or bequest.

§ 760aa-2. Volunteer enhancement pilot projects

(a) In general

Subject to the availability of appropriations, the Secretary of the Interior shall carry out a pilot project at 1 or more facilities of the System. Each pilot project shall provide for a volunteer coordinator for the hatchery facility. The volunteer coordinator shall be responsible for recruiting, training, and supervising volunteers. The volunteer coordinator may be responsible for assisting partner organizations in developing projects and programs under cooperative agreements under section 742f(d) of this title and coordinating volunteer activities with partner organizations to carry out the projects and programs.

(b) Report

Not later than 3 years after October 16, 2006, the Secretary shall submit a report to the Committee on Resources of the House of Representatives and the Committee on Environment and Public Works of the Senate evaluating and mak-

ing recommendations regarding the pilot projects.

§ 760aa-3. Community partnership enhancement

(a) Projects and programs

Subject to the requirements of the Fish and Wildlife Coordination Act (16 U.S.C. 661 et seq.) and other applicable law, and such terms and conditions as the Secretary of the Interior determines to be appropriate, the Secretary may approve projects and programs for a facility of the System that—

(1) promote the stewardship of resources of the hatchery through habitat maintenance, restoration, and improvement, biological monitoring, or research;

(2) support the operation and maintenance of the hatchery through constructing, operating, maintaining, or improving the facilities and services of the hatchery;

(3) increase the awareness and understanding of the hatchery and the System, through the development, publication, or distribution of educational materials and products;

(4) advance education concerning the purposes of the hatchery and the mission of the System, through the use of the hatchery as an outdoor classroom and development of other educational programs; or

(5) contribute financial resources to the hatchery, under the terms that require that the net revenues be used exclusively for the benefit of the hatchery, through donation of net revenues from the sale of educational materials and products and through encouragement of gifts, devises, and bequests.

(b) Treasury account

Amounts received by the Secretary of the Interior as a result of projects and programs under subsection (a) shall be deposited in a separate account in the Treasury. Amounts in the account that are attributable to activities at a particular facility of the System shall be available to the Secretary of the Interior, without further appropriation, to pay the costs of incidental expenses related to volunteer activities, and to carry out cooperative agreements for the hatchery facility.

§ 760aa-4. Hatchery education program development**(a) Guidance**

Not later than 1 year after October 16, 2006, the Secretary of the Interior shall develop guidance for the hatchery education programs to further the mission of the System and the purposes of individual hatcheries through—

(1) providing outdoor classroom opportunities for students on fish hatcheries that combine educational curricula with the personal experiences of students relating to fish, aquatic species, and their habitat, and to the cultural and historical resources of the hatcheries;

(2) promoting understanding and conservation of fish, aquatic species, and the cultural and historical resources of the hatcheries; and

(3) improving scientific literacy in conjunction with both formal and nonformal education programs.

(b) Hatchery programs

Based on the guidance developed under subsection (a), the Secretary of the Interior may, with assistance from the Fish and Wildlife Management Assistance Program, develop or enhance hatchery educational programs as appropriate, based on the resources of individual hatcheries and the opportunities available for such programs in State, local, and private schools. In developing and implementing each program, the Secretary should cooperate with State and local education authorities, and may cooperate with partner organizations in accordance with subsection (d).¹
