TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of reporting provisions in this section, see section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and page 117 of House Document No. 103-7.

(June 25, 1948, ch. 645, 62 Stat. 853.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., § 744n (June 23, 1934, ch. 736, § 6, 48 Stat. 1212).

Phrase relating to section being “supplemental” to sections 744i-744h of title 18, U.S.C., 1940 ed., is omitted as unnecessary.

Retention of remainder of section is essential to insure authority of Attorney General to require performance of duties of Prison Industries. (See sections 4001 and 4003 of this title.) This is also consistent with 1939 Reorganization Plan No. II, § 3(a), transferring the corporation to the Department of Justice “under the general direction and supervision of the Attorney General”. (See section 133t of title 5, U.S.C., 1940 ed., Executive Departments and Government Officers and Employees.)

Words “Federal Prison Industries” were substituted for “the corporation”.

§ 4129. Authority to borrow and invest

(a)(1) As approved by the board of directors, Federal Prison Industries, to such extent and in such amounts as are provided in appropriations Acts, is authorized to issue its obligations to the Secretary of the Treasury, and the Secretary of the Treasury, in the Secretary’s discretion, may purchase or agree to purchase any such obligations, except that the aggregate amount of obligations issued by Federal Prison Industries under this paragraph that are outstanding at any time may not exceed 25 percent of the net worth of the corporation. For purchases of such obligations by the Secretary of the Treasury, the Secretary is authorized to use as a public debt transaction the proceeds of the sale of any securities issued under chapter 31 of title 31 after the date of the enactment of this section, and the purposes for which securities may be issued under that chapter are extended to include such purchases. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate not less than a rate determined by the Secretary of the Treasury, taking into consideration the current average yield on outstanding marketable obligations of the United States of comparable maturity. For purposes of the first sentence of this paragraph, the net worth of Federal Prison Industries is the amount by which its assets (including capital) exceed its liabilities.

(2) The Secretary of the Treasury may sell, upon such terms and conditions and at such price or prices as the Secretary shall determine, any of the obligations acquired by the Secretary under this subsection. All purchases and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(b) Federal Prison Industries may request the Secretary of the Treasury to invest excess moneys from the Prison Industries Fund. Such investments shall be in public debt securities with maturities suitable to the needs of the corporation as determined by the board of directors, and bearing interest at rates determined by the Secretary of the Treasury, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities.

(Added Pub. L. 100-690, title VII, § 7093(a), Nov. 18, 1988, 102 Stat. 4411.)
