(i) such merchandise of the manufacturer is part of a group of merchandise to which the administering authority assigns (in lieu of making separate determinations described in subparagraph (A)(i)(I)) an amount determined to be the amount by which the normal value of the merchandise in such group exceeds the export price (or the constructed export price) of the merchandise in such group, and

(ii) the merchandise and the manufacturer are not specified by name in the affirmative dumping determination or in any antidumping duty order issued as a result of such affirmative dumping determination.

**(4) Short life cycle merchandise**

The term “short life cycle merchandise” means any product that the Commission determines is likely to become outmoded within 4 years, by reason of technological advances, after the product is commercially available. For purposes of this paragraph, the term “outmoded” refers to a kind of style that is no longer state-of-the-art.
