**(a) Purpose; definitions**

(1) The purpose of this section is to establish a program to provide matching grants to eligible institutions in order to establish or increase endowment funds at such institutions, to provide additional incentives to promote fund raising activities by such institutions, and to foster increased independence and self-sufficiency at such institutions.

(2) For the purpose of this section:

(B) The term “endowment fund corpus” means an amount equal to the grant or grants awarded under this section plus an amount equal to such grant or grants provided by the institution.

(C) The term “endowment fund income” means an amount equal to the total value of the endowment fund established under this section minus the endowment fund corpus.

(D)(i) The term “eligible institution” means an institution that is an—

(I) eligible institution under part A or would be considered to be such an institution if section 1058(b)(1)(C) of this title referred to a postgraduate degree rather than a bachelor’s degree;

(II) institution eligible for assistance under part B or would be considered to be such an institution if section 1063 of this title referred to a postgraduate degree rather than a baccalaureate degree; or

(III) institution of higher education that makes a substantial contribution to postgraduate medical educational opportunities for minorities and the economically disadvantaged.

(ii) The Secretary may waive the requirements of subclauses (I) and (II) of clause (i) with respect to a postgraduate degree in the case of any institution otherwise eligible under clause (i) for an endowment challenge grant upon determining that the institution makes a substantial contribution to medical education opportunities for minorities and the economically disadvantaged.

**(b) Grants authorized**

(1) From sums available for this section under section 1068h of this title, the Secretary is authorized to award endowment challenge grants to eligible institutions to establish or increase an endowment fund at such institution. Such grants shall be made only to eligible institutions described in paragraph (4) whose applications have been approved pursuant to subsection (g).

(2)(A) Except as provided in subparagraph (B), no institution shall receive a grant under this section, unless such institution has deposited in its endowment fund established under this section an amount equal to the amount of such grant. The source of funds for this institutional match shall not include Federal funds or funds from an existing endowment fund.

(B) The Secretary may make a grant under this part to an eligible institution in any fiscal year if the institution—

(i) applies for a grant in an amount not exceeding \$1,000,000; and

(ii) has deposited in the eligible institution’s endowment fund established under this section an amount which is equal to ½ of the amount of such grant.

(C) An eligible institution of higher education that is awarded a grant under subparagraph (B) shall not be eligible to receive an additional grant under subparagraph (B) until 10 years after the date on which the grant period terminates.

(3) The period of a grant under this section shall be not more than 20 years. During the grant period, an institution may not withdraw or expend any of the endowment fund corpus. After the termination of the grant period, an institution may use the endowment fund corpus plus any endowment fund income for any educational purpose.

(4)(A) An institution of higher education is eligible to receive a grant under this section if it is an eligible institution as described in subsection (a)(2)(D) of this section.

(B) No institution shall be ineligible for an endowment challenge grant under this section for a fiscal year by reason of the previous receipt of such a grant but no institution shall be eligible to receive such a grant for more than 2 fiscal years out of any period of 5 consecutive fiscal years.
