§ 1068a. Waiver authority and reporting requirement

(a) Waiver requirements; need-based assistance students

The Secretary may waive the requirements set forth in section 1058(b)(1)(A) of this title in the case of an institution—

(1) which is extensively subsidized by the State in which it is located and charges low or no tuition;

(2) which serves a substantial number of low-income students as a percentage of its total student population;

(3) which is contributing substantially to increasing higher education opportunities for educationally disadvantaged, underrepresented, or minority students, who are low-income individuals;

(4) which is substantially increasing higher educational opportunities for individuals in rural or other isolated areas which are unserved by postsecondary institutions;

(5) located on or near an Indian reservation or a substantial population of Indians, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of American Indians;

(6) that is a tribally controlled college or university as defined in section 1801 of title 25; or

(7) wherever located, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of Black Americans, Hispanic Americans, Native Americans, Asian Americans, or Pacific Islanders, including Native Hawaiians.

(b) Waiver determinations; expenditures

(1) The Secretary may waive the requirements set forth in section 1058(b)(1)(B) of this title if the Secretary determines, based on persuasive evidence submitted by the institution, that the institution's failure to meet that criterion is due to factors which, when used in the determination of compliance with such criterion, distort such determination, and that the institution's designation as an eligible institution under part A is otherwise consistent with the purposes of such parts.¹

(2) The Secretary shall submit to the Congress every other year a report concerning the institutions which, although not satisfying the criterion contained in section 1058(b)(1)(B) of this title, have been determined to be eligible institutions under part A which enroll significant numbers of Black American, Hispanic, Native American, Asian American, or Native Hawaiian students under part A, as the case may be. Such report shall—

(A) identify the factors referred to in paragraph (1) which were considered by the Secretary as factors that distorted the determination of compliance with subparagraphs (A) and (B) of section 1058(b)(1) of this title; and

(B) contain a list of each institution determined to be an eligible institution under part A including a statement of the reasons for each such determination.

(3) The Secretary may waive the requirement set forth in section 1058(b)(1)(E)² of this title in the case of an institution located on or near an Indian reservation or a substantial population of Indians, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of American Indians.

(C) make available to each affected institution an amount that is not less than the amount made available to such institution under this subchapter for fiscal year 2006, except that for any fiscal year for which the funds appropriated for payments under this subchapter are less than the appropriated level for fiscal year 2006, the amount made available to such institutions shall be ratably reduced among the institutions receiving funds under this subchapter.
