

section 1432(4)(B) of this title), if any, to parents of infants or toddlers with disabilities;

(B) services provided pursuant to this subsection include an educational component that promotes school readiness and incorporates preliteracy, language, and numeracy skills;

(C) the State policy will not affect the right of any child served pursuant to this subsection to instead receive a free appropriate public education under subchapter II;

(D) all early intervention services outlined in the child's individualized family service plan under section 1436 of this title are continued while any eligibility determination is being made for services under this subsection;

(E) the parents of infants or toddlers with disabilities (as defined in section 1432(5)(A) of this title) provide informed written consent to the State, before such infants or toddlers reach 3 years of age, as to whether such parents intend to choose the continuation of early intervention services pursuant to this subsection for such infants or toddlers;

(F) the requirements under section 1437(a)(9) of this title shall not apply with respect to a child who is receiving services in accordance with this subsection until not less than 90 days (and at the discretion of the parties to the conference, not more than 9 months) before the time the child will no longer receive those services; and

(G) there will be a referral for evaluation for early intervention services of a child who experiences a substantiated case of trauma due to exposure to family violence (as defined in section 10402 of title 42).

### **(3) Reporting requirement**

If a statewide system includes a State policy described in paragraph (1), the State shall submit to the Secretary, in the State's report under section 1437(b)(4)(A) of this title, a report on the number and percentage of children with disabilities who are eligible for services under section 1419 of this title but whose parents choose for such children to continue to receive early intervention services under this subchapter.

### **(4) Available funds**

If a statewide system includes a State policy described in paragraph (1), the policy shall describe the funds (including an identification as Federal, State, or local funds) that will be used to ensure that the option described in paragraph (1) is available to eligible children and families who provide the consent described in paragraph (2)(E), including fees (if any) to be charged to families as described in section 1432(4)(B) of this title.

### **(5) Rules of construction**

#### **(A) Services under subchapter II**

If a statewide system includes a State policy described in paragraph (1), a State that provides services in accordance with this subsection to a child with a disability who is eligible for services under section 1419 of this

title shall not be required to provide the child with a free appropriate public education under subchapter II for the period of time in which the child is receiving services under this subchapter.

#### **(B) Services under this subchapter**

Nothing in this subsection shall be construed to require a provider of services under this subchapter to provide a child served under this subchapter with a free appropriate public education.

### **§ 1436. Individualized family service plan**

#### **(a) Assessment and program development**

A statewide system described in section 1433 of this title shall provide, at a minimum, for each infant or toddler with a disability, and the infant's or toddler's family, to receive—

(1) a multidisciplinary assessment of the unique strengths and needs of the infant or toddler and the identification of services appropriate to meet such needs;

(2) a family-directed assessment of the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the infant or toddler; and

(3) a written individualized family service plan developed by a multidisciplinary team, including the parents, as required by subsection (e), including a description of the appropriate transition services for the infant or toddler.

#### **(b) Periodic review**

The individualized family service plan shall be evaluated once a year and the family shall be provided a review of the plan at 6-month intervals (or more often where appropriate based on infant or toddler and family needs).

#### **(c) Promptness after assessment**

The individualized family service plan shall be developed within a reasonable time after the assessment required by subsection (a)(1) is com-

pleted. With the parents' consent, early intervention services may commence prior to the completion of the assessment.

**(d) Content of plan**

The individualized family service plan shall be in writing and contain—

(1) a statement of the infant's or toddler's present levels of physical development, cognitive development, communication development, social or emotional development, and adaptive development, based on objective criteria;

(2) a statement of the family's resources, priorities, and concerns relating to enhancing the development of the family's infant or toddler with a disability;

(3) a statement of the measurable results or outcomes expected to be achieved for the infant or toddler and the family, including pre-literacy and language skills, as developmentally appropriate for the child, and the criteria, procedures, and timelines used to determine the degree to which progress toward achieving the results or outcomes is being made and whether modifications or revisions of the results or outcomes or services are necessary;

(4) a statement of specific early intervention services based on peer-reviewed research, to the extent practicable, necessary to meet the unique needs of the infant or toddler and the family, including the frequency, intensity, and method of delivering services;

(5) a statement of the natural environments in which early intervention services will appropriately be provided, including a justification of the extent, if any, to which the services will not be provided in a natural environment;

(6) the projected dates for initiation of services and the anticipated length, duration, and frequency of the services;

(7) the identification of the service coordinator from the profession most immediately relevant to the infant's or toddler's or family's needs (or who is otherwise qualified to carry out all applicable responsibilities under this subchapter) who will be responsible for the implementation of the plan and coordination with other agencies and persons, including transition services; and

(8) the steps to be taken to support the transition of the toddler with a disability to preschool or other appropriate services.

**(e) Parental consent**

The contents of the individualized family service plan shall be fully explained to the parents and informed written consent from the parents shall be obtained prior to the provision of early intervention services described in such plan. If the parents do not provide consent with respect to a particular early intervention service, then only the early intervention services to which consent is obtained shall be provided.

**§ 1437. State application and assurances**

**(a) Application**

A State desiring to receive a grant under section 1433 of this title shall submit an application to the Secretary at such time and in such manner as the Secretary may reasonably require. The application shall contain—

(1) a designation of the lead agency in the State that will be responsible for the administration of funds provided under section 1433 of this title;

(2) a certification to the Secretary that the arrangements to establish financial responsibility for services provided under this subchapter pursuant to section 1440(b) of this title are current as of the date of submission of the certification;

(3) information demonstrating eligibility of the State under section 1434 of this title, including—

(A) information demonstrating to the Secretary's satisfaction that the State has in effect the statewide system required by section 1433 of this title; and

(B) a description of services to be provided to infants and toddlers with disabilities and their families through the system;

(4) if the State provides services to at-risk infants and toddlers through the statewide system, a description of such services;

(5) a description of the uses for which funds will be expended in accordance with this subchapter;

(6) a description of the State policies and procedures that require the referral for early intervention services under this subchapter of a child under the age of 3 who—

(A) is involved in a substantiated case of child abuse or neglect; or

(B) is identified as affected by illegal substance abuse, or withdrawal symptoms resulting from prenatal drug exposure;

(7) a description of the procedure used to ensure that resources are made available under this subchapter for all geographic areas within the State;

(8) a description of State policies and procedures that ensure that, prior to the adoption by the State of any other policy or procedure necessary to meet the requirements of this subchapter, there are public hearings, adequate notice of the hearings, and an opportunity for comment available to the general public, including individuals with disabilities and parents of infants and toddlers with disabilities;

(9) a description of the policies and procedures to be used—

(A) to ensure a smooth transition for toddlers receiving early intervention services
