

“(3) To provide financial assistance to State and local agencies for training of persons involved with inspections and abatement of asbestos, for conducting necessary reinspections of school buildings, and for the actual abatement of asbestos threats to the health and safety of school children or employees.

“(4) To assure that no employee of a local educational agency suffers any disciplinary action as a result of calling attention to potential asbestos hazards which may exist in schools.”

§ 4012. Asbestos hazard abatement program

(a) Abatement program

There is hereby established a program within the Environmental Protection Agency to be known as the Asbestos Hazards Abatement Program (hereinafter in this subchapter referred to as “Program”).

(b) Duties

The duties of the Administrator in implementing and effectuating the Program shall include—

(1) the compilation of medical, scientific, and technical information including, but not limited to—

(A) the health and safety hazards associated with asbestos materials;

(B) the means of identifying, sampling, and testing materials suspected of emitting asbestos fibers; and

(C) the means of abating the threat posed by asbestos and asbestos containing materials;

(2) the distribution of the information described in paragraph (1) (in any appropriate form such as pamphlets, reports, or instructions) to State and local educational agencies and to other institutions, including parent and employee organizations, for the purpose of carrying out activities described in this subchapter;

(3) not later than November 15 of each year for which this subchapter is authorized, the development and distribution of applications, or notifications to all local educational agencies of the availability of application forms including information for obtaining such forms; and

(4) the review of applications for financial assistance, and the approval or disapproval of such applications, in accordance with the provisions of section 4014 of this title.

Editorial Notes

AMENDMENTS

1990—Pub. L. 101-637, §14(a)(3), made technical amendment to section catchline.

Subsec. (a). Pub. L. 101-637, §14(b)(3), inserted heading and struck out par. (1) designation before “There is hereby established”.

Subsec. (b). Pub. L. 101-637, §14(b)(4), inserted heading.

Subsec. (b)(2). Pub. L. 101-637, §4(1), (2), substituted “educational agencies” for “agencies” and “institutions, including parent and employee organizations,” for “institutions”.

Subsec. (b)(3). Pub. L. 101-637, §4(3), amended par. (3) generally. Prior to amendment, par. (3) read as follows:

“the development within forty-five days of August 11, 1984, of an interim or final application form, which shall be distributed promptly to local educational agencies; and”.

§ 4013. State records and priority lists

(a) Records

The Governor of each State shall maintain records on—

(1) the presence of asbestos materials in school buildings of local educational agencies;

(2) the asbestos detection and abatement activities and other response actions conducted by local educational agencies (including activities relating to the replacement of the asbestos materials removed from school buildings with other appropriate building materials); and

(3) repairs made to restore school buildings to conditions comparable to those which existed before the abatement activities referred to in paragraph (2) were undertaken.

(b) Priority list

(1) Each year, in accordance with procedures established by the Administrator, the Governor of each State shall:

(A) submit to the Administrator a priority list of all schools under the authority of a local educational agency within the State, without regard to the public or private nature of the school involved, that are candidates for abatement activities and other response actions; and

(B) forward to the Administrator for each candidate for abatement activities and other response actions all applications for financial assistance prepared by the local educational agencies in accordance with the provisions of section 4014 of this title; and¹

(2) The priority list shall rank the potential candidates for abatement action based on the nature and magnitude of the existing and potential exposure presented by the asbestos materials.

(3) For each school listed, the Governor shall certify that the statement of need contained in the application for assistance accurately reflects the financial resources available to the local educational agency for the asbestos abatement program.

(4) For the purpose of determining the adequacy of the financial resources available to a local educational agency for the abatement of asbestos threats the Governor shall, to the extent practicable, consider the following:

(A) A measure of financial need used by the State in which the local educational agency is located.

(B) The estimated per capita income of the locality of such agency or of those directly or indirectly providing financial support for such agency.

(C) The extent to which the local school millage rate falls above or below (i) the millage rate average of the State and (ii) the millage rate of other local educational agencies with comparable enrollment, per capita income, and resource base.

¹ So in original. Probably should end with a period instead of “; and”.
