

gally constituted or recognized as local educational agencies in the State.

(e) Application

To receive an allotment under subsection (b)(1), a local educational agency shall submit an application to the State educational agency at such time, in such form, and including such information as the State educational agency may require. Each application shall include, at a minimum—

(1) a description of how the local educational agency will carry out its responsibilities under section 6311(d) of this title for schools receiving funds under this section, including how the local educational agency will—

(A) develop comprehensive support and improvement plans under section 6311(d)(1) of this title for schools receiving funds under this section;

(B) support schools developing or implementing targeted support and improvement plans under section 6311(d)(2) of this title, if funds received under this section are used for such purpose;

(C) monitor schools receiving funds under this section, including how the local educational agency will carry out its responsibilities under clauses (iv) and (v) of section 6311(d)(2)(B) of this title if funds received under this section are used to support schools implementing targeted support and improvement plans;

(D) use a rigorous review process to recruit, screen, select, and evaluate any external partners with whom the local educational agency will partner;

(E) align other Federal, State, and local resources to carry out the activities supported with funds received under subsection (b)(1); and

(F) as appropriate, modify practices and policies to provide operational flexibility that enables full and effective implementation of the plans described in paragraphs (1) and (2) of section 6311(d) of this title; and

(2) an assurance that each school the local educational agency proposes to serve will receive all of the State and local funds it would have received in the absence of funds received under this section.

(f) Priority

The State educational agency, in allocating funds to local educational agencies under this section, shall give priority to local educational agencies that—

(1) serve high numbers, or a high percentage of, elementary schools and secondary schools implementing plans under paragraphs (1) and (2) of section 6311(d) of this title;

(2) demonstrate the greatest need for such funds, as determined by the State; and

(3) demonstrate the strongest commitment to using funds under this section to enable the lowest-performing schools to improve student achievement and student outcomes.

(g) Unused funds

If, after consultation with local educational agencies in the State, the State educational agency determines that the amount of funds re-

served to carry out subsection (b) is greater than the amount needed to provide the assistance described in that subsection, the State educational agency shall allocate the excess amount to local educational agencies in accordance with—

(1) the relative allocations the State educational agency made to those agencies for that fiscal year under subpart 2 of part A; or

(2) section 6338(c) of this title.

(h) Special rule

Notwithstanding any other provision of this section, the amount of funds reserved by the State educational agency under subsection (a) for fiscal year 2018 and each subsequent fiscal year shall not decrease the amount of funds each local educational agency receives under subpart 2 of part A below the amount received by such local educational agency under such subpart for the preceding fiscal year.

(i) Reporting

The State shall include in the report described in section 6311(h)(1) of this title a list of all the local educational agencies and schools that received funds under this section, including the amount of funds each school received and the types of strategies implemented in each school with such funds.

§ 6303b. Direct student services

(a) State reservation

(1) In general

(A) States

Each State educational agency, after meaningful consultation with geographically diverse local educational agencies described in subparagraph (B), may reserve not more than 3 percent of the amount the State educational agency receives under subpart 2 of part A for each fiscal year to carry out this section.

(B) Consultation

A State educational agency shall consult under subparagraph (A) with local educational agencies that include—

- (i) suburban, rural, and urban local educational agencies;
- (ii) local educational agencies serving a high percentage of schools identified by the State for comprehensive support and improvement under section 6311(c)(4)(D)(i) of this title; and
- (iii) local educational agencies serving a high percentage of schools implementing targeted support and improvement plans under section 6311(d)(2) of this title.

(2) Program administration

Of the funds reserved under paragraph (1)(A), the State educational agency may use not more than 1 percent to administer the program described in this section.

(b) Awards

(1) In general

From the amount reserved under subsection (a) by a State educational agency, the State educational agency shall award grants to geo-

graphically diverse local educational agencies described in subsection (a)(1)(B)(i).

(2) Priority

In making such awards, the State educational agency shall prioritize awards to local educational agencies serving the highest percentage of schools, as compared to other local educational agencies in the State—

- (A) identified by the State for comprehensive support and improvement under section 6311(c)(4)(D)(i) of this title; or
- (B) implementing targeted support and improvement plans under section 6311(d)(2) of this title.

(c) Local use of funds

A local educational agency receiving an award under this section—

(1) may use not more than 1 percent of its award for outreach and communication to parents about available direct student services described in paragraph (3) in the local educational agency and State;

(2) may use not more than 2 percent of its award for administrative costs related to such direct student services;

(3) shall use the remainder of the award to pay the costs associated with one or more of the following direct student services—

- (A) enrollment and participation in academic courses not otherwise available at a student's school, including—
 - (i) advanced courses; and
 - (ii) career and technical education coursework that—
 - (I) is aligned with the challenging State academic standards; and
 - (II) leads to industry-recognized credentials that meet the quality criteria established by the State under section 3153(a) of title 29;

(B) credit recovery and academic acceleration courses that lead to a regular high school diploma;

(C) activities that assist students in successfully completing postsecondary level instruction and examinations that are accepted for credit at institutions of higher education (including Advanced Placement and International Baccalaureate courses), which may include reimbursing low-income students to cover part or all of the costs of fees for such examinations;

(D) components of a personalized learning approach, which may include high-quality academic tutoring; and

(E) in the case of a local educational agency that does not reserve funds under section 6311(d)(1)(D)(v) of this title, transportation to allow a student enrolled in a school identified for comprehensive support and improvement under section 6311(c)(4)(D)(i) of this title to transfer to another public school (which may include a charter school) that has not been identified by the State under such section; and

(4) in paying the costs associated with the direct student services described in paragraph (3), shall—

- (A) first, pay such costs for students who are enrolled in schools identified by the
