A local educational agency that claims children residing on Indian lands for the purpose of

receiving funds under section 7703 of this title shall not be required to comply with the requirements of subsections (a) and (b) for any fiscal year with respect to any Indian tribe from which such agency has received a written statement that the agency need not comply with those subsections because the tribe is satisfied with the provision of educational services by such agency to such children.

(d) Technical assistance and enforcement

The Secretary shall—

(1) provide technical assistance to local educational agencies, parents, and Indian tribes to enable such agencies, parents, and tribes to carry out this section; and

(2) enforce this section through such actions, which may include the withholding of funds, as the Secretary determines to be appropriate, after affording the affected local educational agency, parents, and Indian tribe an opportunity to present their views.

(e) Complaints

(1) In general

(A) Any tribe, or its designee, which has students in attendance at a local educational agency may, in its discretion and without regard to the requirements of any other provision of law, file a written complaint with the Secretary regarding any action of a local educational agency taken pursuant to, or relevant to, the requirements of this section.

(B) Within ten working days from receipt of a complaint, the Secretary shall—

(i) designate a time and place for a hearing into the matters relating to the complaint at a location in close proximity to the local educational agency involved, or if the Secretary determines there is good cause, at some other location convenient to both the tribe, or its designee, and the local educational agency;

(ii) designate a hearing examiner to conduct the hearing; and

(iii) notify the affected tribe or tribes and the local educational agency involved of the time, place, and nature of the hearing and send copies of the complaint to the local educational agency and the affected tribe or tribes.

(2) Hearing

The hearing shall be held within 30 days of the designation of a hearing examiner and shall be open to the public. A record of the proceedings shall be established and maintained.

(3) Evidence; recommendations; cost

(5) Written determination

Within 30 days of the Secretary's receipt of the findings, recommendations, and record, the Secretary shall, on the basis of the record, make a written determination of the appropriate remedial action, if any, to be taken by the local educational agency, the schedule for completion of the remedial action, and the reasons for the Secretary's decision.

(9) Rejection of determination

If the local educational agency rejects the determination of the Secretary and a tribe exercises the option under section 1101(d) of the Education Amendments of 1978, to have education services provided either directly by the Bureau of Indian Education or by contract with the Bureau of Indian Education, any Indian students affiliated with that tribe who wish to remain in attendance at the local educational agency against whom the complaint which led to the tribal action under such subsection (d) was lodged may be counted with respect to that local educational agency for the purpose of receiving funds under section 7703 of this title. In such event, funds under such section shall not be withheld pursuant to paragraph (8) and no further complaints with respect to such students may be filed under paragraph (1).

(f) Construction
