

(b) Peer review

(1) In general

The Director shall establish a peer review system, involving highly qualified individuals with an in-depth knowledge of the subject to be investigated, for reviewing and evaluating all applications for grants and cooperative agreements that exceed \$100,000, and for evaluating and assessing the products of research by all recipients of grants and cooperative agreements under this Act.

(2) Evaluation

The Research Commissioner shall—

(A) develop the procedures to be used in evaluating applications for research grants, cooperative agreements, and contracts, and specify the criteria and factors (including, as applicable, the use of longitudinal data linking test scores, enrollment, and graduation rates over time) which shall be considered in making such evaluations; and

(B) evaluate the performance of each recipient of an award of a research grant, contract, or cooperative agreement at the conclusion of the award.

(c) Long-term research

The Research Commissioner shall ensure that not less than 50 percent of the funds made available for research for each fiscal year shall be used to fund long-term research programs of not less than 5 years, which support the priorities and mission of the Institute and the mission of the Research Center.
