§ 9546. Ukrainian energy security

(a) Statement of policy

It is the policy of the United States—

(1) to support the Government of Ukraine in restoring its sovereign and territorial integrity;

(2) to condemn and oppose all of the destabilizing efforts by the Government of the Russian Federation in Ukraine in violation of its obligations and international commitments;

(3) to never recognize the illegal annexation of Crimea by the Government of the Russian Federation or the separation of any portion of Ukrainian territory through the use of military force;

(4) to deter the Government of the Russian Federation from further destabilizing and invading Ukraine and other independent countries in Central and Eastern Europe and the Caucasus;¹

(5) to assist in promoting reform in regulatory oversight and operations in Ukraine’s energy sector, including the establishment and empowerment of an independent regulatory organization;

(6) to encourage and support fair competition, market liberalization, and reliability in Ukraine’s energy sector;

(7) to help Ukraine and United States allies and partners in Europe reduce their dependence on Russian energy resources, especially natural gas, which the Government of the Russian Federation uses as a weapon to coerce, intimidate, and influence other countries;

(8) to work with European Union member states and European Union institutions to promote energy security through developing diversified and liberalized energy markets that provide diversified sources, suppliers, and routes;

(9) to continue to oppose the NordStream 2 pipeline given its detrimental impacts on the European Union’s energy security, gas market development in Central and Eastern Europe, and energy reforms in Ukraine; and

(10) that the United States Government should prioritize the export of United States energy resources in order to create American jobs, help United States allies and partners, and strengthen United States foreign policy.

(b) Plan to promote energy security in Ukraine

(1) In general

The Secretary of State, in coordination with the Administrator of the United States Agency for International Development and the Secretary of Energy, shall work with the Government of Ukraine to develop a plan to increase energy security in Ukraine, increase the amount of energy produced in Ukraine, and reduce Ukraine’s reliance on energy imports from the Russian Federation.

(2) Elements

The plan developed under paragraph (1) shall include strategies for market liberalization, effective regulation and oversight, supply diversification, energy reliability, and energy efficiency, such as through supporting—
