

for each such country or region will be incorporated into relevant United States country or regional plans and strategies, including the National Security Strategy of the United States, the Stabilization Assistance Review, Department of State Integrated Country Strategies, USAID Country Development Cooperation Strategies, and Department of Defense Campaign Plans, Operational Plans, and Regional Strategies, as well as any equivalent or successor plans or strategies.

(5) Interagency plans to ensure that appropriate local actors, including government and civil society entities, have an appropriate ownership stake in developing, implementing, monitoring, and evaluating relevant activities under each such plan.

(6) Interagency plans to integrate existing and planned security assistance and cooperation programs in each such country or region with the strategy, and to mitigate risks associated with such programs, including risks related to corruption, governance, and human rights.

(7) Assessment, monitoring, and evaluation frameworks for diplomatic, development, and security assistance and activities, which shall be informed by consultations with the stakeholders specified in section 9803(b) of this title, with clear metrics for each such country or region, as well as interagency plans for using such frameworks to adapt such activities on a regular basis.

(8) Descriptions of available policy tools and how such tools will be used to reduce fragility, prevent the spread of extremism and violence, and stabilize conflict-affected areas in each such country or region.

(9) A description of how planning and implementation of assistance under the Global Fragility Strategy for each such country or region will be coordinated in a manner that strengthens partnerships and leverages the unique expertise and resources of the United States Government and—

- (A) governments of such countries;
- (B) international development organizations;
- (C) relevant international donors;
- (D) multilateral organizations; and
- (E) the private sector.

(10) A regional component outlining plans to address relevant transnational issues and how each such country is affected by or at risk of regional fragility or violence.

(11) When a region is selected, a component outlining plans to address factors at the individual country level that affect regional fragility or violence.

(Pub. L. 116–94, div. J, title V, § 506, Dec. 20, 2019, 133 Stat. 3064.)

§ 9806. Implementation

The President, in coordination with the Secretary of State, the Administrator of the United States Agency for International Development, the Secretary of Defense, the heads of other relevant Federal departments and agencies, relevant United States ambassadors, USAID mission directors, geographic combatant com-

manders, and other relevant individuals with responsibility over activities in each priority country or region selected pursuant to section 9804 of this title, shall ensure that—

(1) the Global Fragility Strategy required under section 9803 of this title, including each of the country plans developed under section 9805 of this title, is implemented, updated, and coordinated on a regular basis; and

(2) the strategy is used to guide United States Government policy at a senior level and incorporated into relevant strategies and plans across the United States Government such that the activities of all relevant Federal departments and agencies are consistent with the strategy.

(Pub. L. 116–94, div. J, title V, § 507, Dec. 20, 2019, 133 Stat. 3065.)

§ 9807. Biennial reports and congressional consultation

(a) Biennial reports

Not later than two years after the submission of the plans required in section 9805 of this title, and every two years thereafter until the date that is ten years after the date of submission of such plans, the President, the Secretary of State, the Administrator of the United States Agency for International Development, the Secretary of Defense, and the heads of other relevant Federal departments and agencies shall jointly submit to the appropriate congressional committees an unclassified report, which may include a classified annex, on progress made and lessons learned with respect to implementation of the Global Fragility Strategy established pursuant to section 9803 of this title. The report shall include the following elements:

(1) Descriptions of steps taken to incorporate the strategy into any relevant, existing country and regional plans or strategies.

(2) Accountings of all funding received and obligated to implement each such country and regional plan during the previous two years, and, to the extent feasible, projections of funding to be requested, planned, and implemented for the following two years.

(3) Descriptions of progress made towards achieving specific targets, metrics, and indicators for each priority country and region.

(4) Descriptions of any changes made to programs based on the results of assessment, monitoring, and evaluation for each priority country and region.

(b) Congressional consultation

The Secretary of State, the Administrator of the United States Agency for International Development, and the Secretary of Defense shall provide to any appropriate congressional committee briefings on the implementation of this chapter upon the request of any such committee.

(Pub. L. 116–94, div. J, title V, § 508, Dec. 20, 2019, 133 Stat. 3065.)

§ 9808. Authorization of appropriations

(a) Prevention and Stabilization Fund

(1) Establishment

There is established in the Treasury of the United States a fund, which shall be known as
