

partment of the Treasury, or divest the Secretary of the Treasury of any functions under the War Claims Act of 1948, as amended, or under the International Claims Settlement Act of 1949, as amended. It does not limit the responsibility of the Secretary of State with respect to the conduct of foreign affairs. The reorganizations contained in the reorganization plan will not prejudice any interest or potential interest of any claimant.

After investigation, I have found and hereby declare that each reorganization included in the accompanying reorganization plan is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended. I have also found and hereby declare that it is necessary to include in the accompanying reorganization plan, by reason of reorganizations made thereby, provisions for the appointment and compensation of officers specified in section 1 of the plan. The rate of compensation fixed for each of these officers is that which I have found to prevail in respect of comparable officers in the executive branch of the Government.

The statutory citation for certain functions of the Secretary of State with respect to the International Claims Commission which are abolished by the reorganization plan, is the third and fourth sentences of section 3(c) of the International Claims Settlement Act of 1949 (64 Stat. 13), as amended.

It is at this time impracticable to specify the reductions of expenditures which it is probable will be brought about by the taking effect of the reorganizations contained in the plan.

Reorganization Plan No. 1 of 1954 provides a single agency for the orderly completion of present claims programs. In addition, it provides an effective organization for the settlement of future authorized claims programs by utilizing the experience gained by present claims agencies. It provides unified administrative direction of the functions concerned, and it simplifies the organizational structure of the executive branch. I urge that the Congress allow the reorganization plan to become effective.

DWIGHT D. EISENHOWER.

THE WHITE HOUSE, April 29, 1954.
