§ 277d-31. Authorization of appropriations

To defray costs that accrue to the United States under the agreement or agreements referred to in section 277d-30 of this title for the construction, operation, and maintenance of drainage conveyance canal projects, there are authorized to be appropriated to the Department of State for use of the United States Section, International Boundary and Water Commission, United States and Mexico, the following amounts:

(1) Not to exceed \$690,000 for costs of construction.

(2) Upon completion of construction, not to exceed \$25,000 based on estimated calendar year 1976 costs, plus or minus such amounts as may be justified by reason of ordinary fluctuations in operation and maintenance costs involved therein, annually for costs of operation and maintenance.

(Pub. L. 89-584, §2, Sept. 19, 1966, 80 Stat. 808; Pub. L. 93-126, §7(a), Oct. 18, 1973, 87 Stat. 452; Pub. L. 95-105, title V, §514(a), Aug. 17, 1977, 91 Stat. 862.)

EFFECTIVE DATE OF 1977 AMENDMENT

Amendment by Pub. L. 95-105 effective Oct. 1, 1977, see section 514(d) of Pub. L. 95-105, set out as a note under section 277d-3 of this title.

§ 277d-32. Tijuana River flood control project; agreement with Mexico for joint construction, operation and maintenance

The Secretary of State, acting through the United States Commissioner, International Boundary and Water Commission, United States and Mexico, is hereby authorized to conclude with the appropriate official or officials of the Government of Mexico an agreement for the joint construction, operation, and maintenance by the United States and Mexico, in accordance with the provisions of the treaty of February 3, 1944, with Mexico, of an international flood control project for the Tijuana River, which shall be located and have substantially the character-

istics described in “Report on an International Flood Control Project, Tijuana River Basin”, prepared by the United States Section, International Boundary and Water Commission, United States and Mexico.

(Pub. L. 89-640, §1, Oct. 10, 1966, 80 Stat. 884.)

§ 277d-33. Authorization; construction, operation, and maintenance, appropriations, and acquisition of land

Pursuant to the agreement concluded under the authority of section 277d-32 of this title, the United States Commissioner is authorized to construct, operate, and maintain the portion of the “International Flood Control Project, Tijuana River Basin,” assigned to the United States, and there is hereby authorized to be appropriated to the Department of State for use of the United States section the sum of \$10,800,000 for construction costs of such project, as modified, based on estimated June 1976 prices, plus or minus such amounts as may be justified by reason of price index fluctuations in costs involved therein, and such sums as may be necessary for its maintenance and operation, except that no funds may be appropriated under sections 277d-32 and 277d-33 of this title for the fiscal year ending on September 30, 1977. Contingent upon the furnishing by the city of San Diego of its appropriate share of the funds for the acquisition of the land and interests therein needed to carry out the agreement between the United States and Mexico to construct such project, the Secretary of State, acting through the United States Commissioner, is further authorized to participate financially with non-Federal interests in the acquisition of said lands and interest therein, to the extent that funds provided by the city of San Diego are insufficient for this purpose.

(Pub. L. 89-640, §2, Oct. 10, 1966, 80 Stat. 884; Pub. L. 94-425, Sept. 28, 1976, 90 Stat. 1333.)

AMENDMENTS

1976—Pub. L. 94-425 substituted provisions authorizing appropriations of \$10,800,000 for construction costs for project based on June 1976 prices, with exception that no funds may be appropriated for fiscal year ending Sept. 30, 1977 for provisions authorizing appropriations not to exceed \$12,600,000 for construction costs for project, eliminated provision requiring approval of title by Attorney General, and inserted provision authorizing financial participation of Secretary of State through Commissioner to acquire land for construction of project contingent upon city of San Diego furnishing its appropriate share of funds.

§ 277d-34. American-Mexican Boundary Treaty, authorization for carrying out treaty provisions; investigations; land acquisition, purposes; damages, repair or compensation

In connection with the treaty between the United States of America and the United Mexican States to resolve pending boundary differences and maintain the Rio Grande and the Colorado River as the international boundary between the United States of America and the United Mexican States, signed November 23, 1970, (hereafter in this Act referred to as the

“treaty”), the Secretary of State, acting through the United States Commissioner, International Boundary and Water Commission, United States, and Mexico (hereafter in this Act referred to as the “Commissioner”), is authorized—

(1) to conduct technical and other investigations relating to—

(A) the demarcation, mapping, monumentation, channel relocation, rectification, improvement, stabilization, and other matters relating to the preservation of the river boundaries between the United States and Mexico;

(B) the establishment and delimitation of the maritime boundaries in the Gulf of Mexico and in the Pacific Ocean;

(C) water resources; and

(D) the sanitation and the prevention of pollution;

(2) to acquire by donation, purchase, or condemnation, all lands or interests in lands required—

(A) for transfer to Mexico as provided in the treaty;

(B) for construction of that portion of new river channels and the adjoining levees in the territory of the United States;

(C) to preserve the Rio Grande and the Colorado River as the boundary by preventing the construction of works which may cause deflection or obstruction of the normal flow of the rivers or of their floodflows; and

(D) for relocation of any structure or facility, public or private, the relocation of which, in the judgment of the Commissioner, is necessitated by the project; and

(3) to remove, modify, or repair the damages caused to Mexico by works constructed in the United States which the International Boundary and Water Commission, United States and Mexico, as determined have an adverse effect on Mexico, or to compensate Mexico for such damages.
