"(4) there is a serious shortfall in the external capital resources necessary to support the policy reform efforts of the African governments and to achieve the long-term development necessary to avert a chronic state of crisis in Sub-Saharan Africa;

"(5) the Special Facility for Sub-Saharan Africa will have as its primary goal the implementation of policy reforms to help the African countries to help themselves;

"(6) to succeed, these efforts must be reinforced by development resources;

"(7) the appalling conditions prevalent in the countries of Sub-Saharan Africa underscore the need for the United States to participate in a coordinated framework with the other aid donor countries; and
