Pub. L. 116-283, div. A, title XII, §1299Q(e)(11), Jan. 1, 2021, 134 Stat. 4026, which amended this section, was itself amended by Pub. L. 116-260, div. ## FINDING; SENSE OF CONGRESS

Pub. L. 110-53, title XX, §2031(a), (b), Aug. 3, 2007, 121 Stat. 515, provided that:

“(a) FINDING.—Congress finds that the report of the National Commission on Terrorist Attacks Upon the United States stated that ‘Recognizing that Arab and

Muslim audiences rely on satellite television and radio, the government has begun some promising initiatives in television and radio broadcasting to the Arab world, Iran, and Afghanistan. These efforts are beginning to reach large audiences. The Broadcasting Board of Governors [now United States Agency for Global Media] has asked for much larger resources. It should get them.’.

“(b) SENSE OF CONGRESS.—It is the sense of Congress that—

“(1) the United States needs to improve its communication of information and ideas to people in foreign countries, particularly in countries with significant Muslim populations; and

“(2) public diplomacy should reaffirm the paramount commitment of the United States to democratic principles, including preserving the civil liberties of all the people of the United States, including Muslim-Americans.”

## SUBCHAPTER I—SANCTIONS FOR NUCLEAR PROLIFERATION

**§ 6301. Imposition of procurement sanction on persons engaging in export activities that contribute to proliferation****(a) Determination by President****(1) In general**

Except as provided in subsection (b)(2), the President shall impose the sanction described in subsection (c) if the President determines in writing that, on or after the effective date of this subchapter, a foreign person or a United States person has materially and with requisite knowledge contributed, through the export from the United States or any other country of any goods or technology (as defined in section 6305(2) of this title), to the efforts by any individual, group, or non-nuclear-weapon state to acquire unsafeguarded special nuclear material or to use, develop, produce, stockpile, or otherwise acquire any nuclear explosive device.

**(2) Persons against which the sanction is to be imposed**

The sanction shall be imposed pursuant to paragraph (1) on—

(A) the foreign person or United States person with respect to which the President makes the determination described in that paragraph;

(B) any successor entity to that foreign person or United States person;

(C) any foreign person or United States person that is a parent or subsidiary of that person if that parent or subsidiary materially and with requisite knowledge assisted in the activities which were the basis of that determination; and

(D) any foreign person or United States person that is an affiliate of that person if that affiliate materially and with requisite knowledge assisted in the activities which were the basis of that determination and if that affiliate is controlled in fact by that person.

**(3) Other sanctions available**

The sanction which is required to be imposed for activities described in this subsection is in addition to any other sanction which may be imposed for the same activities under any other provision of law.

**(4) Definition**

For purposes of this subsection, the term “requisite knowledge” means situations in which a person “knows”, as “knowing” is defined in section 78dd-2 of title 15.

**(b) Consultation with and actions by foreign government of jurisdiction**

**(1) Consultations**

If the President makes a determination described in subsection (a)(1) with respect to a foreign person, the Congress urges the President to initiate consultations immediately with the government with primary jurisdiction over that foreign person with respect to the imposition of the sanction pursuant to this section.

**(2) Actions by government of jurisdiction**

In order to pursue such consultations with that government, the President may delay imposition of the sanction pursuant to this section for up to 90 days. Following these consultations, the President shall impose the sanction unless the President determines and certifies in writing to the Congress that that government has taken specific and effective actions, including appropriate penalties, to terminate the involvement of the foreign person in the activities described in subsection (a)(1). The President may delay the imposition of the sanction for up to an additional 90 days if the President determines and certifies in writing to the Congress that that government is in the process of taking the actions described in the preceding sentence.

**(3) Report to Congress**

Not later than 90 days after making a determination under subsection (a)(1), the President shall submit to the Committee on Foreign Relations and the Committee on Governmental Affairs of the Senate and the Committee on Foreign Affairs of the House of Representatives a report on the status of consultations with the appropriate government under this subsection, and the basis for any determination under paragraph (2) of this subsection that such government has taken specific corrective actions.

**(c) Sanction**

**(1) Description of sanction**

The sanction to be imposed pursuant to subsection (a)(1) is, except as provided in paragraph (2) of this subsection, that the United States Government shall not procure, or enter into any contract for the procurement of, any goods or services from any person described in subsection (a)(2).

**(2) Exceptions**

The President shall not be required to apply or maintain the sanction under this section—

(A) in the case of procurement of defense articles or defense services—

(i) under existing contracts or subcontracts, including the exercise of options for production quantities to satisfy requirements essential to the national security of the United States;

(ii) if the President determines in writing that the person or other entity to which the sanction would otherwise be applied is a sole source supplier of the defense articles or services, that the defense articles or services are essential, and that alternative sources are not readily or reasonably available; or

(iii) if the President determines in writing that such articles or services are essential to the national security under defense coproduction agreements;

(B) to products or services provided under contracts entered into before the date on which the President publishes his intention to impose the sanction;

(C) to—

(i) spare parts which are essential to United States products or production;

(ii) component parts, but not finished products, essential to United States products or production; or

(iii) routine servicing and maintenance of products, to the extent that alternative sources are not readily or reasonably available;

(D) to information and technology essential to United States products or production; or

(E) to medical or other humanitarian items.

**(d) Advisory opinions**

Upon the request of any person, the Secretary of State may, in consultation with the Secretary of Defense, issue in writing an advisory opinion to that person as to whether a proposed activity by that person would subject that person to the sanction under this section. Any person who relies in good faith on such an advisory opinion which states that the proposed activity would not subject a person to such sanction, and any person who thereafter engages in such activity, may not be made subject to such sanction on account of such activity.

**(e) Termination of sanction**

The sanction imposed pursuant to this section shall apply for a period of at least 12 months following the imposition of the sanction and shall

cease to apply thereafter only if the President determines and certifies in writing to the Congress that—

(1) reliable information indicates that the foreign person or United States person with respect to which the determination was made under subsection (a)(1) has ceased to aid or abet any individual, group, or non-nuclear-weapon state in its efforts to acquire unsafeguarded special nuclear material or any nuclear explosive device, as described in that subsection; and

(2) the President has received reliable assurances from the foreign person or United States person, as the case may be, that such person will not, in the future, aid or abet any individual, group, or non-nuclear-weapon state in its efforts to acquire unsafeguarded special nuclear material or any nuclear explosive device, as described in subsection (a)(1).

**(f) Waiver**

**(1) Criterion for waiver**

The President may waive the application of the sanction imposed on any person pursuant to this section, after the end of the 12-month period beginning on the date on which that sanction was imposed on that person, if the President determines and certifies in writing to the Congress that the continued imposition of the sanction would have a serious adverse effect on vital United States interests.

**(2) Notification of and report to Congress**

If the President decides to exercise the waiver authority provided in paragraph (1), the President shall so notify the Congress not less than 20 days before the waiver takes effect. Such notification shall include a report fully articulating the rationale and circumstances which led the President to exercise the waiver authority.
