

(c) Planning for use of renewable energy systems in construction of new buildings

Whenever any building is constructed under the authority contained in section 292 of this title, the Secretary of State shall insure that the planning for such construction takes into account those renewable energy systems which are available in the country in which the building is to be constructed.

(d) Availability of sums previously authorized to be appropriated

In addition to amounts otherwise available for such purposes, \$4,000,000 of the amount authorized to be appropriated by section 101(a)(1) of this Act shall be available only to carry out the purposes of this section.
