AMENDMENTS

1992—Subsec. (c). Pub. L. 102-573 struck out subsec. (c) which authorized appropriations for fiscal years 1990 to 1992.

§ 1616d. Advanced training and research

(a) Establishment of program

The Secretary, acting through the Service, shall establish a program to enable health professionals to pursue advanced training or research in areas of study for which the Secretary determines a need exists. In selecting participants for a program established under this subsection, the Secretary, acting through the Service, shall give priority to applicants who are employed by the Indian Health Service, Indian tribes, tribal organizations, and urban Indian organizations, at the time of the submission of the applications.

(b) Obligated service

An individual who participates in a program under subsection (a), where the educational costs are borne by the Service, shall incur an obligation to serve in an Indian health program (as defined in section 1616a(a)(2) of this title) for a period of obligated service equal to at least the period of time during which the individual participates in such program. In the event that the individual fails to complete such obligated service, the individual shall be liable to the United States for the period of service remaining. In such event, with respect to individuals entering the program after October 29, 1992, the United States shall be entitled to recover from such individual an amount to be determined in accordance with the formula specified in subsection (l) of section 1616a of this title in the manner provided for in such subsection.

(c) Eligibility

Health professionals from Indian tribes and tribal and Indian organizations under the authority of the Indian Self-Determination Act [25 U.S.C. 5321 et seq.] shall be given an equal opportunity to participate in the program under subsection (a).

AMENDMENTS

1994—Subsec. (a). Pub. L. 103-435, §16(a)(1), struck out “who have worked in an Indian health program (as defined in section 1616a(a)(2) of this title) for a substantial period of time” after “health professionals” and inserted at end “In selecting participants for a program established under this subsection, the Secretary, acting through the Service, shall give priority to applicants who are employed by the Indian Health Service, Indian tribes, tribal organizations, and urban Indian organizations, at the time of the submission of the applications.”

Subsec. (b). Pub. L. 103-435, §16(a)(2), inserted “(as defined in section 1616a(a)(2) of this title)” after “Indian health program”.

1992—Subsec. (b). Pub. L. 102-573, §108(1), amended last sentence generally. Prior to amendment, last sentence read as follows: “The Secretary shall develop standards for appropriate recoupment for such remaining service.”

Subsec. (d). Pub. L. 102-573, §108(2), struck out subsec. (d) which directed Secretary to prescribe regulations to carry out this section.

§ 1616e. Nursing program

(a) Grants

The Secretary, acting through the Service, shall provide grants to—

- (1) public or private schools of nursing,
- (2) tribally controlled community colleges and tribally controlled postsecondary vocational institutions (as defined in section 2397h(2)¹ of title 20), and
- (3) nurse midwife programs, and nurse practitioner programs, that are provided by any public or private institution,

for the purpose of increasing the number of nurses, nurse midwives, and nurse practitioners who deliver health care services to Indians.

(b) Purposes

Grants provided under subsection (a) may be used to—

- (1) recruit individuals for programs which train individuals to be nurses, nurse midwives, or nurse practitioners,
- (2) provide scholarships to individuals enrolled in such programs that may pay the tuition charged for such program and other expenses incurred in connection with such program, including books, fees, room and board, and stipends for living expenses,
- (3) provide a program that encourages nurses, nurse midwives, and nurse practitioners to provide, or continue to provide, health care services to Indians,
- (4) provide a program that increases the skills of, and provides continuing education to, nurses, nurse midwives, and nurse practitioners, or
- (5) provide any program that is designed to achieve the purpose described in subsection (a).

(c) Application

Each application for a grant under subsection (a) shall include such information as the Sec-
