- (2) the distributed amount for such calendar year.

(b) Required distribution

For purposes of this section—

The term “required distribution” means, with respect to any calendar year, the sum of—

- (B) 95 percent of the real estate investment trust’s capital gain net income for such calendar year.

The amount determined under paragraph (1) for any calendar year shall be increased by the excess (if any) of—

- (A) the grossed up required distribution for the preceding calendar year, over
- (B) the distributed amount for such preceding calendar year.

(3) Grossed up required distribution

The grossed up required distribution for any calendar year is the required distribution for such year determined—

- (A) with the application of paragraph (2) to such taxable year, and
- (B) by substituting “100 percent” for each percentage set forth in paragraph (1).

(c) Distributed amount

For purposes of this section—

(1) In general

The term “distributed amount” means, with respect to any calendar year, the sum of—

- (A) the deduction for dividends paid (as defined in section 561) during such calendar year (but computed without regard to that portion of such deduction which is attributable to the amount excluded under section 857(b)(2)(D)), and

(A) In general

The term “capital gain net income” has the meaning given such term by section 1222(9) (determined by treating the calendar year as the trust’s taxable year).
