§ 49e. Allotment of funds

(a) From the funds appropriated and (except for Guam) certified under section 49d of this title and made available for allotments under this section for each fiscal year, the Secretary shall first allot to Guam and the Virgin Islands an amount which, in relation to the total amount available for the fiscal year, is equal to the allotment percentage which each received of amounts available under this chapter in fiscal year 1983.

(b)(1) Subject to paragraphs (2), (3), and (4) of this subsection, after making the allotments required by subsection (a), the Secretary shall allot the remainder of the funds described in subsection (a) for each fiscal year among the States as follows:

(A) two-thirds of such remainder shall be allotted on the basis of the relative number of individuals in the civilian labor force in each State as compared to the total number of such individuals in all States; and

(B) one-third of such remainder shall be allotted on the basis of the relative number of unemployed individuals in each State as compared to the total number of such individuals in all States.

For purposes of this paragraph, the number of individuals in the civilian labor force and the number of unemployed individuals shall be based on data for the most recent calendar year available, as determined by the Secretary. For purposes of this paragraph, the term "State" does not include Guam or the Virgin Islands.

(3) For each fiscal year, no State shall receive a total allotment under paragraphs (1) and (2) which is less than 0.28 percent of the total amount available for allotments for all States.

(4) The Secretary shall reserve such amount, not to exceed 3 percent of the sums available for allotments under this section for each fiscal year, as shall be necessary to assure that each State will have a total allotment under this section sufficient to provide staff and other resources necessary to carry out employment service activities and related administrative and support functions on a statewide basis.
