(1) waive the one State agency or multimember agency provision on an adequate showing that the provision prevents the establishment of the most effective and efficient organizational arrangement within the State government; and

(2) approve another State administrative structure or arrangement after deciding that the objectives of the law authorizing the grant program will not be endangered by using another State structure or arrangement.

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
6504	42:4214.	Oct. 16, 1968, Pub. L. 90-577, § 204, 82 Stat. 1101.

In the section, the word “agency” is substituted for “board or commission” for consistency in the revised title. Before clause (1), the words “executive agency” are substituted for “Federal department or agency” because of the definition in sections 102 and 6501(3) of the revised title. The words “appropriate” and “determining or revising” are omitted as surplus. The words “Governor or other” are omitted as covered by “executive . . . authority”. In clause (2), the words “after deciding” are substituted for “*Provided*, That the head of the Federal department or agency determines” to eliminate unnecessary words.

§ 6505. Authority to provide specialized or technical services

(a) The President may prescribe statistical and other studies and compilations, development projects, technical tests and evaluations, technical information, training activities, surveys, reports, documents, and other similar services that an executive agency is especially competent and authorized by law to provide. The services prescribed must be consistent with and further the policy of the United States Government of relying on the private enterprise system to provide services reasonably and quickly available through ordinary business channels.

(b) The head of an executive agency may provide services prescribed by the President under this section to a State or local government when—

(1) written request is made by the State or local government; and

(2) payment of pay and all other identifiable costs of providing the services is made to the executive agency by the State or local government making the request.

(c) Payment received by an executive agency for providing services under this section shall be deposited to the credit of the principal appropriation from which the cost of providing the services has been paid or will be charged.

(d) The authority under this section is in addition to authority under another law in effect on October 16, 1968.

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
6505(a)	42:4201(8). 42:4222(proviso, words after proviso).	Oct. 16, 1968, Pub. L. 90-577, §§108, 303, 305, 82 Stat. 1100, 1102, 1103. Oct. 16, 1968, Pub. L. 90-577, §302, 82 Stat. 1102; Reorg. Plan No. 2 of 1970, eff. July 1, 1970, §102(a), 84 Stat. 2085.
6505(b)	42:4222(words before proviso).	
6505(c)	42:4223.	
6505(d)	42:4225.	

In the section, the words “executive agency” are substituted for “Federal department or agency” and “department or agency of the executive branch of the Federal Government” because of the definition in sections 102 and 6501(3) of the revised title.

In subsection (a), the source provisions are consolidated to eliminate an unnecessary definition. The word “President” is substituted for “Director of the Office of Management and Budget” in 42:4222(proviso, words after proviso) because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President. The words “rules and regulations” are omitted as unnecessary.
