§ 2315b. Transparency and accountability in cost sharing for water resources development projects

(a) Definition of balance sheet

In this section, the term “balance sheet” means a document that describes—

- (1) the funds provided by each Federal and non-Federal interest for a water resources development project; and
- (2) the status of those funds.

(b) Establishment of balance sheet

Each district of the Corps of Engineers shall, using the authority of the Secretary under section 2315 of this title—

- (1) maintain a balance sheet for each water resources development project carried out by the Secretary for which a non-Federal cost share is required; and
- (2) on request of a non-Federal interest that provided funds for the project, provide to the non-Federal interest a copy of the balance sheet.

(c) Under-budget projects

In the case of a water resources development project carried out by the Secretary that is
