## Statutory Notes and Related Subsidiaries

"Secretary" Defined

Secretary means the Secretary of the Army, see section 2 of Pub. L. 110–114, set out as a note under section 2201 of this title.

# § 2345. Electronic submission and tracking of permit applications

### (a) Development of electronic system

# (1) In general

The Secretary shall research, develop, and implement an electronic system to allow the electronic preparation and submission of applications for permits and requests for jurisdictional determinations under the jurisdiction of the Secretary.

## (2) Inclusion

The electronic system required under paragraph (1) shall address—

- (A) applications for standard individual
  - (B) applications for letters of permission;
- (C) joint applications with States for State and Federal permits:
  - (D) applications for emergency permits;
- (E) applications or requests for jurisdictional determinations; and
- (F) preconstruction notification submissions, when required for a nationwide or other general permit.

#### (3) Improving existing data systems

The Secretary shall seek to incorporate the electronic system required under paragraph (1) into existing systems and databases of the Corps of Engineers to the maximum extent practicable.

## (4) Protection of information

The electronic system required under paragraph (1) shall provide for the protection of

personal, private, privileged, confidential, and proprietary information, and information the disclosure of which is otherwise prohibited by law.

## (b) System requirements

The electronic system required under subsection (a) shall—

- (1) enable an applicant or requester to prepare electronically an application for a permit or request:
- (2) enable an applicant or requester to submit to the Secretary, by email or other means through the Internet, the completed application form or request;
- (3) enable an applicant or requester to submit to the Secretary, by email or other means through the Internet, data and other information in support of the permit application or request:
- (4) provide an online interactive guide to provide assistance to an applicant or requester at any time while filling out the permit application or request; and
- (5) enable an applicant or requester (or a designated agent) to track the status of a permit application or request in a manner that will—
  - (A) allow the applicant or requester to determine whether the application is pending or final and the disposition of the request;
  - (B) allow the applicant or requester to research previously submitted permit applications and requests within a given geographic area and the results of such applications or requests; and
  - (C) allow identification and display of the location of the activities subject to a permit or request through a map-based interface.

# (c) Documentation

All permit decisions and jurisdictional determinations made by the Secretary shall be in writing and include documentation supporting the basis for the decision or determination. The Secretary shall prescribe means for documenting all decisions or determinations to be made by the Secretary.

# (d) Record of determinations

## (1) In general

The Secretary shall maintain, for a minimum of 5 years, a record of each permit decision and jurisdictional determination made by the Secretary, including documentation supporting the basis of the decision or determination

# (2) Archiving of information

The Secretary shall explore and implement an appropriate mechanism for archiving records of permit decisions and jurisdictional determinations, including documentation supporting the basis of the decisions and determinations, after the 5-year maintenance period described in paragraph (1).

## (e) Availability of determinations

## (1) In general

The Secretary shall make the records of all permit decisions and jurisdictional determinations made by the Secretary available to the public for review and reproduction.

#### (2) Protection of information

The Secretary shall provide for the protection of personal, private, privileged, confidential, and proprietary information, and information the disclosure of which is prohibited by law, which may be excluded from disclosure

#### (f) Deadline for electronic system implementation

## (1) In general

The Secretary shall develop and implement, to the maximum extent practicable, the electronic system required under subsection (a) not later than 2 years after December 16, 2016.

#### (2) Report on electronic system implementation

Not later than 180 days after the expiration of the deadline under paragraph (1), the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report describing the measures implemented and barriers faced in carrying out this section.

# (g) Applicability

The requirements described in subsections (c), (d), and (e) shall apply to permit applications and requests for jurisdictional determinations submitted to the Secretary after December 16, 2016.

#### (h) Limitation

This section shall not preclude the submission to the Secretary, acting through the Chief of Engineers, of a physical copy of a permit application or a request for a jurisdictional determination.

(Pub. L. 110–114, title II, §2040, Nov. 8, 2007, 121 Stat. 1100; Pub. L. 114–322, title I, §1134(a), Dec. 16, 2016, 130 Stat. 1654.)

#### **Editorial Notes**

# § 2347. Coordination and scheduling of Federal, State, and local actions

## (a) Notice of intent

Upon request of the non-Federal interest in the form of a written notice of intent to construct or modify a non-Federal water supply, wastewater infrastructure, flood damage reduction, storm damage reduction, ecosystem restoration, or navigation project that requires the approval of the Secretary, the Secretary shall initiate, subject to subsection (c), procedures to establish a schedule for consolidating Federal, State, and local agency and Indian tribe environmental assessments, project reviews, and issuance of all permits for the construction or modification of the project. All States and Indian tribes having jurisdiction over the proposed project shall be invited by the Secretary, but shall not be required, to participate in carrying out this section with respect to the project.

#### (b) Coordination

The Secretary shall seek, to the extent practicable, to consolidate hearing and comment periods, procedures for data collection and report preparation, and the environmental review and permitting processes associated with the project and related activities. The Secretary shall notify, to the extent possible, the non-Federal interest of its responsibilities for data development and information that may be necessary to
