

§ 2354. Easements for electric, telephone, or broadband service facilities

(a) Definition of water resources development project

In this section, the term “water resources development project” means a project under the administrative jurisdiction of the Corps of Engineers that is subject to part 327 of title 36, Code of Federal Regulations (or successor regulations).

(b) No consideration for easements

The Secretary may not collect consideration for an easement across water resources development project land for the electric, telephone, or broadband service facilities of nonprofit organizations eligible for financing under the Rural Electrification Act of 1936 (7 U.S.C. 901 et seq.).

(c) Administrative expenses

Nothing in this section affects the authority of the Secretary under section 2695 of title 10 or under section 9701 of title 31 to collect funds to cover reasonable administrative expenses incurred by the Secretary.

§ 2356. Project consultation

(a) Reports required

Not later than 180 days after December 27, 2020, the Secretary shall submit the following reports:

(1) The report required under section 1214 of the Water Resources Development Act of 2018 (132 Stat. 3809).

(2) The report required under section 1120(a)(3) of the Water Resources Development Act of 2016 (130 Stat. 1643).

(b) Environmental justice updates

(1) In general

In the formulation of water development resources projects, the Secretary shall comply with any existing Executive order regarding environmental justice in effect as of December 27, 2020, to address any disproportionate and adverse human health or environmental effects on minority communities, low-income communities, and Indian Tribes.

(2) Update

Not later than 1 year after December 27, 2020, the Secretary shall review, and shall update, where appropriate, any policies, regulations, and guidance of the Corps of Engineers necessary to implement any Executive order described in paragraph (1) with respect to water resources development projects.

(3) Requirements

In updating the policies, regulations, or guidance under paragraph (2), the Secretary shall—

(A) provide notice to interested non-Federal stakeholders, including representatives of minority communities, low-income communities, and Indian Tribes;

(B) provide opportunities for interested stakeholders to comment on potential updates of policies, regulations, or guidance;

(C) consider the recommendations from the reports submitted under subsection (a); and

(D) promote the meaningful involvement of minority communities, low-income communities, and Indian Tribes.

(c) Community engagement

In carrying out a water resources development project, the Secretary shall, to the extent practicable—

(1) promote the meaningful involvement of minority communities, low-income communities, and Indian Tribes;

(2) provide guidance and technical assistance to such communities or Tribes to increase understanding of the project development and implementation activities, regulations, and policies of the Corps of Engineers; and

(3) cooperate with State, Tribal, and local governments with respect to activities carried out pursuant to this subsection.
