

EFFECTIVE DATE

Section effective with respect to reemployments initiated on or after the first day after the 60-day period beginning Oct. 13, 1994, with transition rules, except that the provisions concerning insurance coverage (other than health) are effective with respect to furloughs or leaves of absence initiated on or after Oct. 13, 1994, and subsec. (b)(2) of this section is applicable only to the rights and benefits provided in subsec. (b)(1)(B) of this section and to persons who leave a position of employment for service in the uniformed services more than 60 days after Oct. 13, 1994, and not applicable to any other right or benefit of a person under this chapter, see section 8 of Pub. L. 103-353, set out as a note under section 4301 of this title.

§ 4317. Health plans

(a)(1) In any case in which a person (or the person's dependents) has coverage under a health plan in connection with the person's position of employment, including a group health plan (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974), and such person is absent from such position of employment by reason of service in the uniformed services, or such person becomes eligible for medical and dental care under chapter 55 of title 10 by reason of subsection (d) of section 1074 of that title, the plan shall provide that the person may elect to continue such coverage as provided in this subsection. The maximum period of coverage of a person and the person's dependents under such an election shall be the lesser of—

(A) the 24-month period beginning on the date on which the person's absence begins; or

(B) the day after the date on which the person fails to apply for or return to a position of employment, as determined under section 4312(e).

(2) A person who elects to continue health-plan coverage under this paragraph may be required to pay not more than 102 percent of the full premium under the plan (determined in the same manner as the applicable premium under section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for the employer's other employees, except that in the case of a person who performs service in the uniformed services for less than 31 days, such person may not be required to pay more than the employee share, if any, for such coverage.

(3) In the case of a health plan that is a multi-employer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, any liability under the plan for employer contributions and benefits arising under this paragraph shall be allocated—

(A) by the plan in such manner as the plan sponsor shall provide; or

(B) if the sponsor does not provide—

(i) to the last employer employing the person before the period served by the person in the uniformed services, or

(ii) if such last employer is no longer functional, to the plan.

(b)(1) Except as provided in paragraph (2), in the case of a person whose coverage under a health plan was terminated by reason of service in the uniformed services, or by reason of the person's having become eligible for medical and dental care under chapter 55 of title 10 by reason

of subsection (d) of section 1074 of that title, an exclusion or waiting period may not be imposed in connection with the reinstatement of such coverage upon reemployment under this chapter if an exclusion or waiting period would not have been imposed under a health plan had coverage of such person by such plan not been terminated as a result of such service or eligibility. This paragraph applies to the person who is reemployed and to any individual who is covered by such plan by reason of the reinstatement of the coverage of such person.

(2) Paragraph (1) shall not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

(3) In the case of a person whose coverage under a health plan is terminated by reason of the person having become eligible for medical and dental care under chapter 55 of title 10 by reason of subsection (d) of section 1074 of that title but who subsequently does not commence a period of active duty under the order to active duty that established such eligibility because the order is canceled before such active duty commences, the provisions of paragraph (1) relating to any exclusion or waiting period in connection with the reinstatement of coverage under a health plan shall apply to such person's continued employment, upon the termination of such eligibility for medical and dental care under chapter 55 of title 10 that is incident to the cancellation of such order, in the same manner as if the person had become reemployed upon such termination of eligibility.

Section effective with respect to reemployments initiated on or after the first day after the 60-day period beginning Oct. 13, 1994, with transition rules, except that a person on active duty on Oct. 13, 1994, or a family member or personal representative of such person, may, after Oct. 13, 1994, elect to reinstate or continue a health plan provided in this section, and the health plan shall remain in effect for the remaining portion of the 18-month period that began on the date of such person's separation from civilian employment or the period of the person's service in the uniformed service, whichever is of lesser duration, see section 8 of Pub. § 4318. Employee pension benefit plans

(a)(1)(A) Except as provided in subparagraph (B), in the case of a right provided pursuant to an employee pension benefit plan (including those described in sections 3(2) and 3(33) of the Employee Retirement Income Security Act of 1974) or a right provided under any Federal or State law governing pension benefits for governmental employees, the right to pension benefits of a person reemployed under this chapter shall be determined under this section.

(B) In the case of benefits under the Thrift Savings Plan, the rights of a person reemployed under this chapter shall be those rights provided in section 8432b of title 5. The first sentence of this subparagraph shall not be construed to affect any other right or benefit under this chapter.

(2)(A) A person reemployed under this chapter shall be treated as not having incurred a break in service with the employer or employers maintaining the plan by reason of such person's period or periods of service in the uniformed services.

(B) Each period served by a person in the uniformed services shall, upon reemployment under this chapter, be deemed to constitute service with the employer or employers maintaining the plan for the purpose of determining the non-forfeiture of the person's accrued benefits and for the purpose of determining the accrual of benefits under the plan.

(b)(1) An employer reemploying a person under this chapter shall, with respect to a period of service described in subsection (a)(2)(B), be lia-

ble to an employee pension benefit plan for funding any obligation of the plan to provide the benefits described in subsection (a)(2) and shall allocate the amount of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and any obligation of the plan, earnings and forfeitures shall not be included. For purposes of determining the amount of such liability and for purposes of section 515 of the Employee Retirement Income Security Act of 1974 or any similar Federal or State law governing pension benefits for governmental employees, service in the uniformed services that is deemed under subsection (a) to be service with the employer shall be deemed to be service with the employer under the terms of the plan or any applicable collective bargaining agreement. In the case of a multiemployer plan, as defined in section 3(37) of the Employee Retirement Income Security Act of 1974, any liability of the plan described in this paragraph shall be allocated—

(A) by the plan in such manner as the sponsor maintaining the plan shall provide; or

(B) if the sponsor does not provide—

(i) to the last employer employing the person before the period served by the person in the uniformed services, or

(ii) if such last employer is no longer functional, to the plan.

(2) A person reemployed under this chapter shall be entitled to accrued benefits pursuant to subsection (a) that are contingent on the making of, or derived from, employee contributions or elective deferrals (as defined in section 402(g)(3) of the Internal Revenue Code of 1986) only to the extent the person makes payment to the plan with respect to such contributions or deferrals. No such payment may exceed the amount the person would have been permitted or required to contribute had the person remained continuously employed by the employer throughout the period of service described in subsection (a)(2)(B). Any payment to the plan described in this paragraph shall be made during the period beginning with the date of reemployment and whose duration is three times the period of the person's service in the uniformed services, such payment period not to exceed five years.

(3) For purposes of computing an employer's liability under paragraph (1) or the employee's contributions under paragraph (2), the employee's compensation during the period of service described in subsection (a)(2)(B) shall be computed—

(A) at the rate the employee would have received but for the period of service described in subsection (a)(2)(B), or

(B) in the case that the determination of such rate is not reasonably certain, on the basis of the employee's average rate of compensation during the 12-month period immediately preceding such period (or, if shorter, the period of employment immediately preceding such period).

(c) Any employer who reemploys a person under this chapter and who is an employer con-
