#### TRANSFER OF FUNCTIONS

For transfer of all functions, personnel, assets, components, authorities, grant programs, and liabilities of the Federal Emergency Management Agency, including the functions of the Under Secretary for Federal Emergency Management relating thereto, to the Federal Emergency Management Agency, see section 315(a)(1) of Title 6, Domestic Security.

# § 15707. Coordination

The Secretary of Commerce, the Director of the National Institute of Standards and Technology, the Director of the Office of Science and Technology Policy and the heads of other Federal departments and agencies carrying out activities under this chapter and the statutes amended by this chapter shall work together to ensure that research, technologies, and response techniques are shared among the programs authorized in this chapter in order to coordinate the Nation's efforts to reduce vulnerability to the hazards described in this chapter.

Sec. 15801

Definitions.

SUBCHAPTER I—ENERGY EFFICIENCY

PART A-FEDERAL PROGRAMS

15811. Voluntary commitments to reduce industrial energy intensity.

15812. Advanced building efficiency testbed.

15813. Enhancing energy efficiency in management of Federal lands.

PART B-ENERGY ASSISTANCE AND STATE PROGRAMS 15821 Energy efficient appliance rebate programs.

Sec.

15822. Energy efficient public buildings.

15823. Low income community energy efficiency pilot program.

15824. State Technologies Advancement Collaborative.

#### PART C-ENERGY EFFICIENT PRODUCTS

15831. Public energy education program.

15832. Energy efficiency public information initia-

15833 Energy efficiency pilot program.

Report on failure to comply with deadlines 15834. for new or revised energy conservation standards.

#### PART D-PUBLIC HOUSING

15841. Energy-efficient appliances. 15842 Energy strategy for HUD.

#### SUBCHAPTER II—RENEWABLE ENERGY

#### PART A—GENERAL PROVISIONS

15851. Assessment of renewable energy resources.

15852 Federal purchase requirement.

15853 Rebate program.

Sugar Cane Ethanol Program. 15854

15855. Grants to improve the commercial value of forest biomass for electric energy, useful heat, transportation fuels, and other commercial purposes.

# PART B—GEOTHERMAL ENERGY

15871. Coordination of geothermal leasing and permitting on Federal lands.

15872. Assessment of geothermal energy potential.

Deposit and use of geothermal lease revenues 15873. for 5 fiscal years.

Intermountain West Geothermal Consortium. 15874.

## PART C-HYDROELECTRIC

15881. Hydroelectric production incentives.

15882. Hydroelectric efficiency improvement incentives.

15883. Maintaining and enhancing hydroelectricity incentives.

# PART A—PRODUCTION INCENTIVES

15901. Definition of Secretary.

15902. Program on oil and gas royalties in-kind. 15903. Marginal property production incentives.

15904. Incentives for natural gas production from deep wells in the shallow waters of the Gulf

of Mexico.

Royalty relief for deep water production. 15905.

15906. North Slope Science Initiative.

15907. Orphaned well site plugging, remediation, and restoration.

Preservation of geological and geophysical 15908. da.ta.

15909 Gas hydrate production incentive. 15910.

Enhanced oil and natural gas production through carbon dioxide injection.

15911 Denali Commission

15912. Comprehensive inventory of OCS oil and natural gas resources.
