

community development organizations, and Indian tribe economic development entities to improve energy efficiency; identify and develop alternative, renewable, and distributed energy supplies; and increase energy conservation in low income rural and urban communities.

(b) Purpose of grants

The Secretary may make grants on a competitive basis for—

- (1) investments that develop alternative, renewable, and distributed energy supplies;
- (2) energy efficiency projects and energy conservation programs;
- (3) studies and other activities that improve energy efficiency in low income rural and urban communities;
- (4) planning and development assistance for increasing the energy efficiency of buildings and facilities; and
- (5) technical and financial assistance to local government and private entities on developing new renewable and distributed sources of power or combined heat and power generation.

(c) Definition

For purposes of this section, the term “Indian tribe” means any Indian tribe, band, nation, or other organized group or community, including any Alaskan Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.), that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

(d) Authorization of appropriations

For the purposes of this section there are authorized to be appropriated to the Secretary \$20,000,000 for each of fiscal years 2006 through 2008.

(Pub. L. 109-58, title I, §126, Aug. 8, 2005, 119 Stat. 618.)

§ 15824. State Technologies Advancement Collaborative

(a) In general

The Secretary, in cooperation with the States, shall establish a cooperative program for research, development, demonstration, and deployment of technologies in which there is a common Federal and State energy efficiency, renewable energy, and fossil energy interest, to be known as the “State Technologies Advancement Collaborative” (referred to in this section as the “Collaborative”).

(b) Duties

The Collaborative shall—

- (1) leverage Federal and State funding through cost-shared activity;

- (2) reduce redundancies in Federal and State funding; and

- (3) create multistate projects to be awarded through a competitive process.

(c) Administration

The Collaborative shall be administered through an agreement between the Department and appropriate State-based organizations.

(d) Funding sources

Funding for the Collaborative may be provided from—

- (1) amounts specifically appropriated for the Collaborative; or
- (2) amounts that may be allocated from other appropriations without changing the purpose for which the amounts are appropriated.

(e) Authorization of appropriations

There are authorized to carry out this section such sums as are necessary for each of fiscal years 2006 through 2010.

(Pub. L. 109-58, title I, §127, Aug. 8, 2005, 119 Stat. 619.)

PART C—ENERGY EFFICIENT PRODUCTS

§ 15831. Public energy education program

(a) In general

Not later than 180 days after August 8, 2005, the Secretary shall convene an organizational conference for the purpose of establishing an ongoing, self-sustaining national public energy education program.

(b) Participants

The Secretary shall invite to participate in the conference individuals and entities representing all aspects of energy production and distribution, including—

- (1) industrial firms;
- (2) professional societies;
- (3) educational organizations;
- (4) trade associations; and
- (5) governmental agencies.

(c) Purpose, scope, and structure

(1) Purpose

The purpose of the conference shall be to establish an ongoing, self-sustaining national public energy education program to examine and recognize interrelationships between energy sources in all forms, including—

- (A) conservation and energy efficiency;
- (B) the role of energy use in the economy; and
- (C) the impact of energy use on the environment.

(2) Scope and structure

Taking into consideration the purpose described in paragraph (1), the participants in the conference invited under subsection (b) shall design the scope and structure of the program described in subsection (a).

(d) Technical assistance

The Secretary shall provide technical assistance and other guidance necessary to carry out the program described in subsection (a).

(e) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this section. (Pub. L. 109-58, title I, §133, Aug. 8, 2005, 119 Stat. 622.)

§ 15832. Energy efficiency public information initiative**(a) In general**

The Secretary shall carry out a comprehensive national program, including advertising and media awareness, to inform consumers about—

(1) the need to reduce energy consumption during the 4-year period beginning on August 8, 2005;

(2) the benefits to consumers of reducing consumption of electricity, natural gas, and petroleum, particularly during peak use periods;

(3) the importance of low energy costs to economic growth and preserving manufacturing jobs in the United States; and

(4) practical, cost-effective measures that consumers can take to reduce consumption of electricity, natural gas, and gasoline, including—

(A) maintaining and repairing heating and cooling ducts and equipment;

(B) weatherizing homes and buildings;

(C) purchasing energy efficient products; and

(D) proper tire maintenance.

(b) Cooperation

The program carried out under subsection (a) shall—

(1) include collaborative efforts with State and local government officials and the private sector; and

(2) incorporate, to the maximum extent practicable, successful State and local public education programs.

(c) Report

Not later than July 1, 2009, the Secretary shall submit to Congress a report describing the effectiveness of the program under this section.

(d) Termination of authority

The program carried out under this section shall terminate on December 31, 2010.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$90,000,000 for each of fiscal years 2006 through 2010.

(Pub. L. 109-58, title I, §134, Aug. 8, 2005, 119 Stat. 623.)

§ 15833. Energy efficiency pilot program**(a) In general**

The Secretary shall establish a pilot program under which the Secretary provides financial assistance to at least 3, but not more than 7, States to carry out pilot projects in the States for—

(1) planning and adopting statewide programs that encourage, for each year in which the pilot project is carried out—

(A) energy efficiency; and

(B) reduction of consumption of electricity or natural gas in the State by at least 0.75 percent, as compared to a baseline determined by the Secretary for the period preceding the implementation of the program; or

(2) for any State that has adopted a statewide program as of August 8, 2005, activities that reduce energy consumption in the State by expanding and improving the program.

(b) Verification

A State that receives financial assistance under subsection (a)(1) shall submit to the Secretary independent verification of any energy savings achieved through the statewide program.

(c) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2006 through 2010, to remain available until expended.

(Pub. L. 109-58, title I, §140, Aug. 8, 2005, 119 Stat. 647.)

§ 15834. Report on failure to comply with deadlines for new or revised energy conservation standards**(a) Initial report**

The Secretary shall submit a report to Congress regarding each new or revised energy conservation or water use standard which the Secretary has failed to issue in conformance with the deadlines established in the Energy Policy and Conservation Act [42 U.S.C. 6201 et seq.]. Such report shall state the reasons why the Secretary has failed to comply with the deadline for issuances of the new or revised standard and set forth the Secretary's plan for expeditiously prescribing such new or revised standard. The Secretary's initial report shall be submitted not later than 6 months following August 8, 2005, and subsequent reports shall be submitted whenever the Secretary determines that additional deadlines for issuance of new or revised standards have been missed.

(b) Implementation report

Every 6 months following the submission of a report under subsection (a) until the adoption of a new or revised standard described in such report, the Secretary shall submit to the Congress an implementation report describing the Secretary's progress in implementing the Secretary's plan or the issuance of the new or revised standard.

(Pub. L. 109-58, title I, §141, Aug. 8, 2005, 119 Stat. 648.)
