

(b) Election to membership; term of office; eligibility for reelection

At each of its annual meetings the Board shall elect two of its members as members of the Executive Committee, and the Executive Committee members so elected shall hold office for two years from the date of their election. Any person, other than the Director, who has been a member of the Executive Committee for six consecutive years shall thereafter be ineligible for service as a member thereof during the two-year period following the expiration of such sixth year. For the purposes of this subsection, the period between any two consecutive annual meetings of the Board shall be deemed to be one year.

(c) Term of vacancy appointment

Any person elected as a member of the Executive Committee to fill a vacancy occurring prior to the expiration of the term for which his predecessor was elected shall be elected for the remainder of such term.

(d) Reports; minority views

The Executive Committee shall render an annual report to the Board, and such other reports as it may deem necessary, summarizing its activities and making such recommendations as it may deem appropriate. Minority views and recommendations, if any, of members of the Executive Committee shall be included in such reports.

AMENDMENTS

1968—Subsec. (a). Pub. L. 90-407, §5, made mandatory the organization of the Executive Committee, struck out prohibition that the Board may not assign to the Executive Committee the function of establishing policies, and inserted provisions setting forth the number of members, their manner of election, and the status of the Director.

Subsec. (b). Pub. L. 90-407, §5, substituted provisions that Board elect two members as members of Executive Committee at its annual meeting, with period between any two consecutive annual meetings to be deemed one year, for provisions covering composition of Executive Committee, setting forth a special one year term of office for four members first elected after May 10, 1950, and directing that membership of Committee represent diverse interests and areas. Provisions of former subsecs. (b)(2)(A) and (b)(5) were redesignated as subsecs. (c) and (d), respectively.

Subsec. (c). Pub. L. 90-407, §5, redesignated former subsec. (b)(2)(A) as (c) and substituted "Any person elected as a member of the Executive Committee" for "any member elected". Former subsec. (c), authorizing the Board to appoint such additional committees as it deems necessary, and to delegate to such committees survey and advisory functions as it deems appropriate, was struck out.

Subsec. (d). Pub. L. 90-407, §5, redesignated former subsec. (b)(5) as (d) and substituted "The Executive Committee" for "Such Committee".

1959—Subsec. (a). Pub. L. 86-232 struck out prohibition against assignment to Executive Committee of function of review and approval.

Subsec. (b)(1). Pub. L. 86-232 authorized Board to have an Executive Committee consisting of from five to nine members rather than fixed number of nine.

CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90-407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90-407, set out as a note under section 1862 of this title.

§ 1869. Scholarships and graduate fellowships

(a) In general

The Foundation is authorized to award scholarships and graduate fellowships for study and research in the sciences or in engineering at appropriate nonprofit American or nonprofit foreign institutions selected by the recipient of such aid, for stated periods of time. Persons shall be selected for such scholarships and fellowships from among citizens, nationals or lawfully admitted permanent resident aliens of the United States, and such selections shall be made solely on the basis of ability; but in any case in which two or more applicants for scholarships or fellowships, as the case may be, are deemed by the Foundation to be possessed of substantially equal ability, and there are not sufficient scholarships or fellowships, as the case may be, available to grant one to each of such applicants, the available scholarship or scholarships or fellowship or fellowships shall be awarded to the applicants in such manner as will tend to result in a wide distribution of scholarships and fellowships throughout the United States. Nothing contained in this chapter shall prohibit the Foundation from refusing or revoking a scholarship or fellowship award, in whole or in part, in the case

of any applicant or recipient, if the Board is of the opinion that such award is not in the best interests of the United States.

(b) Amount

The Director shall establish for each year the amount to be awarded for scholarships and fellowships under this section for that year. Each such scholarship and fellowship shall include a cost of education allowance of \$12,000, subject to any restrictions on the use of cost of education allowance as determined by the Director.

GRADUATE STUDENT SUPPORT

Pub. L. 111-358, title V, § 510(a), (b), Jan. 4, 2011, 124 Stat. 4010, provided that:

“(a) FINDING.—The Congress finds that—

“(1) the Integrative Graduate Education and Research Traineeship program is an important program for training the next generation of scientists and engineers in team-based interdisciplinary research and problem solving, and for providing them with the many additional skills, such as communication skills, needed to thrive in diverse STEM careers; and

“(2) the Integrative Graduate Education and Research Traineeship program is no less valuable to the preparation and support of graduate students than the Foundation’s Graduate Research Fellowship program.

“(b) EQUAL TREATMENT OF IGERT AND GRF.—Beginning in fiscal year 2011, the Director shall increase or, if necessary, decrease funding for the Foundation’s Integrative Graduate Education and Research
