#### § 3541. Paperwork reduction

##### (a) Declaration of policy

The Congress finds and declares—

(1) that various departments, agencies, and instrumentalities of the Federal Government with responsibilities involving housing and housing finance programs, require, approve, use or otherwise employ a variety of different forms as residential mortgages (or deeds of trust or similar security instruments) as notes secured by those mortgages, and for applications, appraisals and other purposes, and that such duplication of forms constitutes a paperwork burden that adds to the costs imposed on the Nation’s homeowners and home buyers;

(2) that unnecessary paperwork impairs the effectiveness of Federal housing and housing finance programs;

(3) that both single-family and multi-family programs are affected; and

(4) that simplification of paperwork imposed by Federal housing and housing finance programs would contribute to achieving the Nation’s housing goals by reducing housing costs.

##### (b) Uniform legal and other forms for use by agencies in housing programs

(1) Not later than October 1, 1980, the Secretary of Housing and Urban Development, the Secretary of Agriculture, and the Secretary of Veterans Affairs shall, consistent with provisions of law governing the conduct of housing programs, employ in their respective programs—

(A) uniform single-family and multi-family note and mortgage forms;

(B) a uniform application form for mortgage approval and commitment for mortgage insurance;

(C) a uniform form for computation of the monthly net effective income of applicants;

(D) a uniform property appraisal form;

(E) a uniform settlement statement which shall satisfy the requirements of the Real Estate Settlement Procedures Act of 1974 [12 U.S.C. 2601 et seq.]; and

(F) such other consolidated or simplified forms, particularly those which solicit identical or nearly identical information from the same persons in the conduct of two or more such programs, the consolidation or simplification of which the Secretaries of Housing and Urban Development and Agriculture and the Secretary of Veterans Affairs mutually agree would contribute to a reduction in the paperwork and regulatory burden of such programs.

(2) The Secretary of Housing and Urban Development, the Secretary of Agriculture, and the Secretary of Veterans Affairs shall, consistent with provisions of law governing their respective programs, provide by regulation for the elimination of forms which solicit information which is already available from other available sources through indexing or other means of identifying such forms.

(3) Each agency referred to in subsection (b) may employ riders, addenda, or similar forms of modification agreements to adapt such uniform forms to its respective programs and policies, consistent with the goals of minimizing the use and extent of such modification agreements and maximizing the suitability of such forms for the use of all participants, public and private.
