## SUBCHAPTER II—UNIFORM RELOCATION ASSISTANCE

**§ 4621. Declaration of findings and policy****(a) Findings**

The Congress finds and declares that—

(1) displacement as a direct result of programs or projects undertaken by a Federal agency or with Federal financial assistance is caused by a number of activities, including rehabilitation, demolition, code enforcement, and acquisition;

(2) relocation assistance policies must provide for fair, uniform, and equitable treatment of all affected persons;

(3) the displacement of businesses often results in their closure;

(4) minimizing the adverse impact of displacement is essential to maintaining the economic and social well-being of communities; and

(5) implementation of this chapter has resulted in burdensome, inefficient, and inconsistent compliance requirements and procedures which will be improved by establishing a lead agency and allowing for State certification and implementation.

**(b) Policy**

This subchapter establishes a uniform policy for the fair and equitable treatment of persons displaced as a direct result of programs or projects undertaken by a Federal agency or with Federal financial assistance. The primary purpose of this subchapter is to ensure that such persons shall not suffer disproportionate injuries as a result of programs and projects designed for the benefit of the public as a whole and to minimize the hardship of displacement on such persons.

**(c) Congressional intent**

It is the intent of Congress that—

(1) Federal agencies shall carry out this subchapter in a manner which minimizes waste, fraud, and mismanagement and reduces unnecessary administrative costs borne by States and State agencies in providing relocation assistance;

(2) uniform procedures for the administration of relocation assistance shall, to the maximum extent feasible, assure that the unique

circumstances of any displaced person are taken into account and that persons in essentially similar circumstances are accorded equal treatment under this chapter;

(3) the improvement of housing conditions of economically disadvantaged persons under this subchapter shall be undertaken, to the maximum extent feasible, in coordination with existing Federal, State, and local governmental programs for accomplishing such goals; and

(4) the policies and procedures of this chapter will be administered in a manner which is consistent with fair housing requirements and which assures all persons their rights under title VIII of the Act of April 11, 1968 (Public Law 90-284), commonly known as the Civil Rights Act of 1968 [42 U.S.C. 3601 et seq.], and title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.].

#### (a) General provision

Whenever a program or project to be undertaken by a displacing agency will result in the displacement of any person, the head of the displacing agency shall provide for the payment to the displaced person of—

- (1) actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;
- (2) actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the head of the agency;
- (3) actual reasonable expenses in searching for a replacement business or farm; and
- (4) actual reasonable expenses necessary to reestablish a displaced farm, nonprofit organization, or small business at its new site, but not to exceed \$25,000, as adjusted by regulation, in accordance with section 4633(d) of this title.

#### (b) Displacement from dwelling; election of payments: expense and dislocation allowance

Any displaced person eligible for payments under subsection (a) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (a) of this section may receive an expense and dislocation allowance, which shall be determined according to a schedule established by the head of the lead agency.

Any displaced person eligible for payments under subsection (a) of this section who is displaced from the person's place of business or farm operation and who is eligible under criteria established by the head of the lead agency may elect to accept the payment authorized by this subsection in lieu of the payment authorized by subsection (a) of this section. (C) if the relocation of such facility results in such owner incurring an extraordinary cost in connection with such relocation;

the displacing agency may, in accordance with such regulations as the head of the lead agency may issue, provide to such owner a relocation payment which may not exceed the amount of such extraordinary cost (less any increase in the value of the new utility facility above the value of the old utility facility and less any salvage value derived from the old utility facility).

(2) For purposes of this subsection, the term—

(A) "extraordinary cost in connection with a relocation" means any cost incurred by the owner of a utility facility in connection with relocation of such facility which is determined by the head of the displacing agency, under such regulations as the head of the lead agency shall issue—

- (i) to be a non-routine relocation expense;
- (ii) to be a cost such owner ordinarily does not include in its annual budget as an expense of operation; and
